{Insert School District Name} Continues to Feed Children During School Closures

*Providing healthy meals in the safest way to **community name here** children continues to be top priority for {insert school district name here}*

{insert city location here} — While schools are closed due to COVID-19, {insert school district name here} in collaboration with the Texas Department of Agriculture is finding unique and safe ways to provide healthy meals to children. {Superintendent or Child Nutrition Director's name and title, Insert quote here}

Nutritious meals are being offered {include days meals are being served} at {include number of meal sites} around {community name here.} Meals are available at no cost to children and teens 18 years and younger and to students with disabilities regardless of age.

{insert school district name here} has made the safety of your family and all staff members the highest priority. {Include details of safety measures taken and any safety protocol required at meal pick-up}

Include any additional details about meal pick-up including but not limited to

- If the child must be present and if not, what identification is needed
- If meal delivery is offered

There are four tools available to locate the meal site closest to you:

1. Visit {school district website} or {school district social media handle} to check for important updates
2. Text FOODTX or COMIDA to 877-877 to receive a text with the three closest meal sites to your location.
3. Visit the interactive map at www.SchoolMealFinder.hoonuit.com to view meal sites in your area.
4. Call 211

Check tools daily for updates as site locations and times may change.

USDA is an equal opportunity provider and employer.
