

# TX-UNPS Security Updates

Planned security updates in the TX-UNPS system will require users to use the most current versions of their browsers starting January 25, 2019. The Texas Department of Agriculture (TDA) is asking all contracting entities (CEs) to ensure they are using the most current browser versions to avoid an interruption in TX-UNPS access. Examples of common browsers include Chrome, Firefox, Internet Explorer, Edge and Safari.

**Examples of common browsers include Chrome, Firefox, Internet Explorer, Edge and Safari.**

*Starting **January 25, 2019**, you will no longer be able to access TX-UNPS if you are using an outdated version of your preferred browser.*

In order to continue to be able to access TXUNPS, TDA asks all users to complete the following on the next page:
