Information Sheet
TX-UNPS Seamless Summer Option Claim Form

General Information

- You will only see the meal program(s) your sites are approved to operate.
- **Authorized sites participating** (lines **SL1**, **SB1**, **SN1** and **SS1**) means the number of feeding sites serving the specific meal type.
- **Enrollment** (lines **SL2**, **SB2**, **SN2**, and **SS2**) means the highest number of children that could receive the specific meal type on any day in the current month. To determine this figure, take the highest number of daily meals served, by meal type, during the current month.
- **Number of operating days** (lines **SL3**, **SB3**, **SN3**, and **SS3**) means the number of days serving the specific meal type.

Terminology

- **Old term**: district, sponsor, contractor ⟶ **New term**: Contracting Entities (CEs)
- **Old terms**: school and facility ⟶ **New term**: sites
- **Old term**: Afterschool Snack Program ⟶ **New term**: Afterschool Care Program

National School Lunch/Suppers

- Line **SL4.c**, **Total meals served**, will be added and displayed by the system as information is entered into lines **SL4.a** and **SL4.b**.

School Breakfast Program (Regular Reimbursement)

- Line **SB4.b**, **Total breakfast served**, will be displayed by the system as information is entered into line **SB4.a**.
- Do not enter the combined total breakfasts in the Regular Breakfast section. Only enter regular breakfasts in that area. If you serve only severe need breakfast you will enter that in the Severe Need Breakfast Category and leave regular breakfast blank.

School Breakfast Program (Severe Need Reimbursement)

- Line **SN4.b**, **Total breakfast served**, will be displayed by the system as information is entered into line **SN4.a**.
- Severe need breakfast (i.e. needy breakfast) meals will only be reported in the severe need breakfast section of the claim. This will be a change for some users that used to report severe need breakfast meals under both the regular breakfast and the severe need breakfast sections.

Afterschool Care Program

- AM snacks and PM snacks will be entered separately.
- Line **SS4.c**, **Total snacks served**, will be added and displayed by the system as information is entered into lines **SS4.a** and **SS4.b**.
