Texas Public School Nutrition Policy

INTRODUCTION

The Texas Department of Agriculture (TDA) has issued the Texas Public School Nutrition Policy to promote a healthier environment in schools. This policy was the result of a collaborative effort utilizing the expertise from nationally recognized professionals who graciously lent their time and knowledge to this important effort.

The response to TDA's initiatives to improve nutrition environments in schools has been overwhelmingly positive. We have received numerous comments and requests for explanations from school administrators, food service personnel, professional associations, parents, and teachers. In response to these comments and suggestions, we have revised the policy to be

TDA will continue to work closely with schools, communities, health organizations and other groups to provide assistance in this important effort. The support of school boards, administrators and parents across the state is very important to achieve the goal of improving the health of our children.

Unless otherwise noted in this document, all Texas public schools participating in the federal child nutrition programs (National School Lunch Program, School Breakfast Program and the Afterschool Care Program) must comply with the nutrition policies outlined below beginning

DEFINITIONS

V j g h q m n q y k p i " f g L p k v k q p u " c r r n { " v q " v j g " V g z c u " R w d n k e " U e j q q n " P w v t k v k q p " R q n k e { <

A La Carte: Refers to individually priced food items provided by the school food service department. These items may or may not be part of the reimbursable meal.

Competitive Foods: Foods and beverages sold or made available to students that compete with the school's operation of the National School Lunch Program, School Breakfast Program and/or

etc.), students or student groups, parents or parent groups, or any other person, company or organization.

FMNV: Foods of Minimal Nutritional Value. Refers to the four categories of foods and beverages (soda water, water ices, chewing gum, and certain candies) that are restricted by the U.S. Department of Agriculture under the child nutrition programs. See Section VI (below).

Food Service: Refers to the school's operation of the National School Lunch Program, School Breakfast Program and After School Snack Programs and includes all food service operations which is used solely for the operation or improvement of such food services.

Fried Foods: Foods that are cooked by total immersion into hot oil or other fat, commonly sautéed.

Fruit or Vegetable Drink: Beverages labeled as containing fruit or vegetable juice in amounts less than 100 percent.

Fruit or Vegetable Juice: Beverages labeled as containing 100 percent fruit or vegetable juice.

School Day: The end of the last instruction period of the day (last bell).

School Meals: Meals provided under the National School Lunch Program, School Breakfast Program and After School Snack Program for which schools receive reimbursement in accordance with all applicable federal regulations, policies, instructions and guidelines.

Snacks: Whether or not they are provided by the school food service department.

Trans Fat: Occurs in foods when manufacturers use hydrogenation, a process in which hydrogen is added to vegetable oil to turn the oil into a more solid (saturated) fat. Trans fats may be found in such foods as margarine, crackers, candies, cookies, snack foods, fried foods, baked goods, salad dressings and other processed foods.

ELEMENTARY SCHOOLS

Middle and junior high schools.

Foods of Minimal Nutritional Value (FMNV) Policy

Elementary school campuses may not serve or provide access for students to FMNV and all other

forms of candy at any time anywhere on school premises until the end of the last scheduled class.

Such foods and beverages may not be sold or given away to students on school premises by school administrators or staff (principals, coaches, teachers, etc.), students or student groups, parents or parent groups, guest speakers or any other person, company or organization. For exemptions and a listing of foods and beverages restricted by the FMNV policy, see Section VI (below).

Other

- a. Fruit and/or vegetables must be offered daily on all points of service. Fruits and vegetables should be fresh whenever possible. Frozen and canned fruits should be packed in natural juice, water or light syrup whenever possible.
- b. Schools must offer 2 percent, 1 percent or skim milk at all points where milk is served.

vegetable juice. No electrolyte replacement beverages (sports drinks) may be served or sold.

Competitive Foods and Snacks

An elementary school campus may not serve competitive foods (or provide access to them through direct or indirect sales) to students anywhere on school premises throughout the school day until the end of the last scheduled class. This does not pertain to food items made available by the school food service department. All foods, beverages and snack items must comply with the nutrition standards and portion size restrictions in this policy.

Elementary classrooms may allow one nutritious snack per day under the teacher's supervision. The snack may be in the morning or afternoon but may not be at the same time as the regular meal periods for that class. The snack may be provided by the school food service, the teacher, parents or other groups and should be at no cost to students.

Prepackaged snacks must comply with the fat and sugar limits of the Texas Public School not contain any FMNVs or consist of candy or dessert type items (cookies, cakes, cupcakes, pudding, ice cream or frozen desserts, etc).

MIDDLE/JUNIOR HIGH SCHOOLS

12 schools may follow the policy requirements designated for middle and junior high schools.

Foods of Minimal Nutritional Value (FMNV) Policy

Middle school and junior high school campuses may not serve or provide access for students to FMNV and all other forms of candy at any time anywhere on school premises until after the end of the last scheduled class.

Such foods and beverages may not be sold or given away to students on school premises by school administrators or staff (principals, coaches, teachers, etc.), students or student groups, parents or parent groups, guest speakers or any other person, company or organization. For exemptions and a listing of foods and beverages restricted by the FMNV policy, see Section VI (below).

- b. Schools must offer 2 percent, 1 percent or skim milk at all points where milk is served.

Competitive Foods

A middle or junior high school campus may not serve competitive foods (or provide access to them through direct or indirect sales) to students anywhere on school premises from 30 minutes

before to 30 minutes after meal periods. This does not pertain to food items made available by the school food service department.

All foods, beverages and snack items must comply with the nutrition standards and portion size restrictions in this policy.

HIGH SCHOOLS

High schools may not serve or provide access to FMNV during meal periods in areas where reimbursable meals are served and/or consumed. For exemptions and a listing of foods and beverages restricted by the FMNV policy, see Section VI (below).

Foods of Minimal Nutritional Value (FMNV)

New contracts, contract renewals and amendments executed after March 3, 2004, must expressly prohibit the sale of sugared, carbonated beverages in containers larger than 12 ounces.

No more than 30 percent of the beverages made available through each vending machine or other service point on high school campuses are allowed to be sugared, carbonated soft drinks. Sugared, carbonated beverages are limited to containers holding no more than 12 ounces. Effective August 1, 2008—No more than 15 percent of the beverages made available through each vending machine or other service point on high school campuses are allowed to be sugared, carbonated soft drinks. Sugared, carbonated beverages are limited to containers holding no more than 12 ounces.

No more than 30 percent of the beverages made available through each vending machine or other service point on high school campuses are allowed to be sugared, carbonated soft drinks. Sugared, carbonated beverages are limited to containers holding no more than 12 ounces. Effective August 1, 2008—No more than 15 percent of the beverages made available through each vending machine or other service point on high school campuses are allowed to be sugared, carbonated soft drinks. Sugared, carbonated beverages are limited to containers holding no more than 12 ounces.

Nutrition Standards

For high schools, as part of reimbursable school meals, a la carte and competitive foods to students on high school campuses.

Fats and Fried Foods

- a. Schools and other vendors may not serve individual food items that contain more than 23 grams of fat with an exception of one individual food item per week. No individual food items can exceed 28 grams of fat at any time. This excludes peanut butter when served as part of a reimbursable meal.

For high schools, as part of reimbursable school meals, a la carte, snack lines and competitive foods. For the purpose of this policy, the following items are excluded from the definition of competitive foods: soft drinks, bottled water, and flavored milk.

Other

- a. Fruit and/or vegetables must be offered daily on all points of service. Fruits and vegetables should be fresh whenever possible. Frozen and canned fruits should be packed in natural juice, water or light syrup whenever possible.
- b. Schools must offer 2 percent, 1 percent or skim milk at all points where milk is served.

Competitive Foods

High schools may not serve competitive foods (or provide access to them through direct or indirect sales) to students during meal periods in areas where reimbursable meals are served and/or consumed. This does not pertain to food items made available by the school food service department.

All foods, beverages and snack items must comply with the nutrition standards and portion size restrictions in this policy.

FOODS OF MINIMAL NUTRITIONAL VALUE (FMNV)

Federal regulations prohibit the sale of certain foods, determined to be of minimal nutritional value, in the foodservice area during meal periods.

Restricted Foods

Licorice: "C"rtqfwev"ocfg"rtgfqokpcpvn{"htq o "uwict"cpf"eqtp"u{twr"vjcv"ku"Łcxqtgf"ykvj"cp" extract made from the licorice root.

Spun Candy: A product that is made from sugar that has been boiled at high temperature and spun at a high speed in a special machine.

Candy Coated Popcorn: Popcorn that is coated with a mixture made predominantly from sugar and corn syrup.

Note: USDA has approved exceptions for certain products included in the above categories. Food items listed in the exemption list must meet TPSNP guidelines when being provided to students.

FMNV and Policy Exemptions

School Nurses: This policy does not apply to school nurses using FMNVs during the course of providing health care to individual students.

Accommodating Students with Special Needs: Special Needs Students whose Individualized Education Program (or other suitable need) may be given FMNV or candy items.

School Events: Students may be given FMNV, candy items or other restricted foods during the school day for up to three different events each school year to be determined by campus. However, FMNVs, candy items, or other restricted foods may not be given during meal times in the areas where school meals are being served or consumed, and regular meal service (breakfast and lunch) must continue to be available to all students in accordance with federal regulations.

TAKS Test Days: Schools and parents may provide one additional nutritious snack per day the Public School Nutrition Policy and may not contain any FMNV or consist of candy, chips or dessert type items (cookies, cakes, cupcakes, pudding, ice cream or frozen desserts, etc.). Packaged snacks must be in single size servings.

Instructional Use of Food in Classroom: For instructional purposes, teachers may use foods as long as the food items are not considered FMNV or candy. Students may consume food prepared in class for instructional purposes. However, this should be on an occasional basis, and food may not be provided or sold to other students or classes. Food provided for students as part of a class or school cultural heritage event for instructional or enrichment purposes would be exempt from the policy. However, FMNV may not be served during meal periods in the areas where school meals are being served or consumed, and regular meal service (breakfast and lunch) must continue to be available to all students.

Field Trips: Students who leave campus to travel to athletic, UIL, band or other competitions. The school day is considered to have ended for these students. School activities, athletic functions, etc. that occur after the normal school day are not covered by the policy.

Athletic, UIL, Band and Other Competitions: The nutrition policy does not apply to students who leave campus to travel to athletic, UIL, band or other competitions. The school day is considered to have ended for these students. School activities, athletic functions, etc. that occur after the normal school day are not covered by the policy.

This policy does not restrict what parents may provide for their own child's lunch or snacks. Parents may provide FMNV or candy items for their own child's consumption, but they may not provide restricted items to other children at school. A school may adopt a more restrictive rule, however, as local policy.

HEALTHY NUTRITION ENVIRONMENT

All school cafeterias and dining areas should be healthy nutrition environments. Texas public schools participating in federal child nutrition programs should ensure that all students have daily access to school meals (breakfast and lunch). Schools should not establish policies, class schedules, bus schedules or other barriers that directly or indirectly restrict meal access.

Adequate time should be allowed for students to receive and consume meals, and cafeterias should provide a pleasant dining environment. The minimum recommended eating time for each student after being served is at least 10 minutes for breakfast and 20 minutes for lunch.

We encourage all school districts to adhere closely to the coordinated school health and physical activity components of the Texas Education Code. It is strongly recommended that PE or recess should be scheduled before lunch whenever possible.

COMPLIANCE AND PENALTIES

The Texas Department of Agriculture (TDA) administers the National School Lunch Program, School Breakfast Program and After School Snack Program through its Food and Nutrition Division. Responsibilities include processing claims for reimbursement, providing special marketing projects and procurement assistance to promote more nutritious eating habits, eqpfwekpi"qp/ukvg"eq o rnkcpag" o qpkvqtksi."cpf"eqqtfkpcvki"vtckkpi"vj tqwi j"vjg"42"tgiqpci" Education Service Centers.

TDA will aggressively enforce and diligently monitor the Texas School Nutrition Policy to ensure compliance. When violations of this policy are noted, TDA will disallow all meal reimbursement for the week when the violation occurred and require the school to reimburse the food service account for the lost reimbursement. In appropriate cases, TDA compliance monitors will interview school staff and collect any evidence that is needed to determine the longevity and severity of the TPSNP violation. Based on the evidence collected, TDA may impose additional sanctions on the school or school district, including disallowance of all meal reimbursements for the three weeks immediately preceding the week of the TPSNP violation. In all cases, a documented corrective action plan will be required and will be monitored diligently to ensure continued compliance.

FOODS OF MINIMAL NUTRITIONAL VALUE EXEMPTIONS

The U.S. Department of Agriculture has exempted several products from the category of Foods of Minimal Nutritional Value. However, the food items listed in the exemption list must still

meet TPSNP guidelines when provided to students. These products are not approved or endorsed
value. In addition, this exemption should not be perceived as encouragement to purchase these
products.

The exemption of one product does not extend to similar products or a family of products.
School district personnel should check the ingredient statement of each exempted food on the list

www.squaremeals.org for the most recent version.

EXEMPTIONS UNDER THE COMPETITIVE FOODS REGULATION

Knudson and Sons, Inc.

Orange Passionfruit Spritzer

Labels bearing the above product name will have the following ingredient statement:
Sparkling water; white grape, passionfruit and orange juice concentrates; natural flavors.

Orange Spritzer

Labels bearing the above product name will have the following ingredient statement:
Sparkling water, concentrated white grape and orange juices, natural flavor.

Jamaican Style Lemonade Spritzer

Labels bearing the above product name will have the following ingredient statement:
Sparkling water, white grape and lemon juice concentrates, natural flavors.

FJ FIZZ

Grape flavored sparkling fruit juice beverage from concentrates

Labels bearing the above product name will have the following ingredient statement:
Sparkling water, concentrated white grape and concord grape juice, concentrated acerola cherry puree, natural flavors.

Cherry flavored sparkling fruit juice beverage from concentrates

Labels bearing the above product name will have the following ingredients statement:
Sparkling water, concentrated apple, cherry pineapple and plum juices; natural flavors, concentrated acerola cherry puree.

Strawberry flavored sparkling fruit juice beverage from concentrates

Labels bearing the above product name will have the following ingredient statement:
Sparkling water, concentrated white grape, apple, strawberry and pineapple juices; concentrated acerola cherry puree, natural flavors, grape skin extract (for color).

Raspberry flavored sparkling fruit juice beverage from concentrates

Labels bearing the above product name will have the following ingredients statement:

Sparkling water, concentrated white grape and raspberry juices, natural flavors, concentrated acerola cherry puree.

Orange flavored sparkling fruit juice beverage from concentrates

Labels bearing the above product name will have the following ingredients statement:
Sparkling water, concentrated white grape, orange and apple juices; orange oil.

Cherry Cola flavored sparkling fruit juice beverage from concentrates

Labels bearing the above product name will have the following ingredient statement:
Sparkling water, concentrated white grape and cherry juices; natural flavors, concentrated acerola cherry puree.

Great Brands of Canada, Ltd.

ALL CANADIAN BRAND

General Mills, Inc.

FRUIT by the FOOT (SPECIAL EDITION)

Color by the Foot, Triple Fruit Punch

Labels bearing the above product name will have the following ingredient statement:
Pears from concentrate, maltodextrin, sugar, corn syrup, partially hydrogenated cottonseed oil. Contains 2% or less of: interesterified soybean oil, citric acid, carrageenan, acetylated mono and diglycerides, sodium citrate, malic acid, xanthan gum, vitamin C (ascorbic acid), locust bean

gum, natural flavor, potassium citrate, color (yellow 5, red 40, blue 1), acerola extract (a natural source of vitamin C), freshness preserved by potassium sorbate and TBHQ.

Strawberry Fruit by the Foot

Labels bearing the above product name will have the following ingredient statement:

Pears from concentrate, maltodextrin, sugar, corn syrup, partially hydrogenated cottonseed oil. Contains 2% or less of: interesterified soybean oil, citric acid, carrageenan, acetylated mono and diglycerides, sodium citrate, malic acid, xanthan gum, vitamin C (ascorbic acid), locust bean gum, potassium citrate, color (red 40), natural flavor, acerola extract (a natural source of vitamin C), freshness preserved by potassium sorbate and TBHQ.

Berry Tie-Dye Fruit by the Foot

Labels bearing the above product name will have the following ingredient statement:

Pears from concentrate, maltodextrin, sugar, corn syrup, partially hydrogenated cottonseed oil. Contains 2% or less of: interesterified soybean oil, citric acid, carrageenan, acetylated mono and diglycerides, sodium citrate, malic acid, xanthan gum, vitamin C (ascorbic acid), locust bean gum, potassium citrate, natural flavor, color (red 40, blue 1), acerola extract (a natural source of vitamin C), freshness preserved by potassium sorbate and TBHQ.

Berry Tie-Dye Sweetened with Splenda® Fruit by the Foot

Labels bearing the above product name will have the following ingredient statement:

Grapes from concentrate, maltodextrin, sugar, partially hydrogenated cottonseed oil, corn syrup, pears from concentrate, citric acid, carrageenan, acetylated mono and diglycerides, sodium citrate, malic acid, xanthan gum, vitamin C (ascorbic acid), locust bean gum, potassium citrate, sucralose, natural flavor, color (red 40, blue 1), acerola extract (a natural source of vitamin C). Freshness preserved by potassium sorbate.

Cherry Rage Fruit by the Foot

Labels bearing the above product name will have the following ingredient statement:

Grapes from concentrate, sugar, maltodextrin, corn syrup, pears from concentrate, partially hydrogenated cottonseed oil, carrageenan, citric acid, acetylated mono and diglycerides, glycerin, sodium citrate, malic acid, xanthan gum, vitamin C (ascorbic acid), locust bean gum, potassium citrate, natural & artificial flavor, color (red 40, blue 1), acerola extract (a natural source of vitamin C).

FRUIT ROLL-UPS (SPECIAL EDITION)

Strawberry Punch Fruit Roll-Up

Labels bearing the above product name will have the following ingredient statement:

Pears from concentrate, orange juice from concentrate, corn syrup, dried corn syrup, sugar, strawberries, partially hydrogenated cottonseed oil, citric acid, sodium citrate, acetylated mono and diglycerides, pectin, malic acid, vitamin C (ascorbic acid), natural flavor, red 40, glycerin.

Crazy Colors Fruit Roll-Up

Labels bearing the above product name will have the following ingredient statement:

Pears from concentrate, corn syrup, dried corn syrup, sugar, partially hydrogenated cottonseed oil, citric acid, sodium citrate, acetylated mono and diglycerides, pectin, malic acid, vitamin C (ascorbic acid), natural flavor, color (yellow 5, red 40, blue 1), acerola extract (a natural source of vitamin C).

Screamin' Green Hot Color Fruit Roll-Up

Labels bearing the above product name will have the following ingredient statement:

Pears from concentrate, corn syrup, dried corn syrup, sugar, partially hydrogenated cottonseed oil, citric acid, sodium citrate, acetylated mono and diglycerides, pectin, malic acid, vitamin C (ascorbic acid), natural flavor, acerola extract (a natural source of vitamin C), color (yellow 5, blue 1).

Electric Yellow Hot Color Fruit Roll-Up

Labels bearing the above product name will have the following ingredient statement:

Pears from concentrate, corn syrup, dried corn syrup, sugar, partially hydrogenated cottonseed oil, citric acid, sodium citrate, acetylated mono and diglycerides, pectin, malic acid, vitamin C (ascorbic acid), natural flavor, color (yellow 5), acerola extract (a natural source of vitamin C).

Sizzling Red Hot Color Fruit Roll-Up

Labels bearing the above product name will have the following ingredient statement:

Pears from concentrate, corn syrup, dried corn syrup, sugar, partially hydrogenated cottonseed oil, citric acid, sodium citrate, acetylated mono and diglycerides, pectin, malic acid, vitamin C (ascorbic acid), natural flavor, color (red 40), acerola extract (a natural source of vitamin C).

Blazin' Blue Hot Color Fruit Roll-Up

Labels bearing the above product name will have the following ingredient statement:

Pears from concentrate, corn syrup, dried corn syrup, sugar, partially hydrogenated cottonseed oil, citric acid, sodium citrate, acetylated mono and diglycerides, pectin, malic acid, vitamin C (ascorbic acid), natural flavor, acerola extract (a natural source of vitamin C), color (blue 1).

Tropical Cherry Fruit Roll-Up

Labels bearing the above product name will have the following ingredient statement:

Pears from concentrate, corn syrup, orange juice from concentrate, dried corn syrup, sugar,

partially hydrogenated cottonseed oil, citric acid, sodium citrate, acetylated mono and diglycerides, pectin, malic acid, vitamin C (ascorbic acid), natural flavor, red 40, glycerin.

Tropical Tie-Dye Fruit Roll-Up

Labels bearing the above product name will have the following ingredient statement:

Pears from concentrate, corn syrup, dried corn syrup, sugar, partially hydrogenated cottonseed oil, citric acid, sodium citrate, acetylated mono and diglycerides, pectin, malic acid, vitamin C (ascorbic acid), natural flavor, acerola extract (a natural source of vitamin C), color (red 40, yellow 5, blue 1).

Cherry Orange Wildfire Fruit Roll-Up

Labels bearing the above product name will have the following ingredient statement:

Pears from concentrate, corn syrup, dried corn syrup, sugar, partially hydrogenated cottonseed oil, citric acid, sodium citrate, acetylated mono and diglycerides, pectin, malic acid, vitamin C (ascorbic acid), acerola extract (a natural source of vitamin C), color (red 40, yellow 5&6), natural flavor.

Strawberry Fruit Roll-Up

Labels bearing the above product name will have the following ingredient statement:

Pears from concentrate, maltodextrin, dried corn syrup, sugar, corn syrup, partially hydrogenated cottonseed oil. Contains 2% or less of: citric acid, sodium citrate, distilled monoglycerides, pectin, malic acid, vitamin C (ascorbic acid), acetylated mono and diglycerides, acerola extract (a natural source of vitamin C), natural flavor, color (red 40).

Strawberry Sweetened with Splenda® Fruit Roll-Up

Labels bearing the above product name will have the following ingredient statement:

Pears from concentrate, maltodextrin, dried corn syrup, sugar, corn syrup, partially hydrogenated cottonseed oil, citric acid, sodium citrate, acetylated mono and diglycerides, pectin, malic acid, vitamin C (ascorbic acid), sucralose, acerola extract (a natural source of vitamin C), red 40, natural flavor.

FRUIT STRING THING (SPECIAL EDITION)

Sneaky Stripes - Double Berry Punch Flavored

Labels bearing the above product name will have the following ingredient statement:

Orange juice from concentrate, grapes from concentrate, sugar, corn syrup, modified corn starch, pears from concentrate, dried corn syrup, partially hydrogenated cottonseed oil, citric acid, carrageenan, sodium citrate, monoglycerides, malic acid, vitamin C (ascorbic acid), high fructose corn syrup, potassium citrate, natural flavor, yellow 6, blue 1.

Strawberry Punch

Labels bearing the above product name will have the following ingredient statement:

Orange juice from concentrate, grapes from concentrate, corn syrup, sugar, modified corn starch, pears from concentrate, dried corn syrup, partially hydrogenated cottonseed oil, citric acid, carrageenan, sodium citrate, monoglycerides, malic acid, vitamin C (ascorbic acid), potassium citrate, natural flavor, red 40.

Exclusive Beverage Contracts

An Exclusive Beverage Contracts policy in a March 1999 Policy Change memorandum to districts addressed this issue. Compliance with the policy was in effect as of August 1999. Many questions have been raised by school districts, vendors, and state agencies concerning exclusive beverage contracts with regard to the federally funded Child Nutrition Programs. The U.S. Department of Agriculture has responded with the following summary of the existing regulatory requirements as they pertain to these contracts.

Child Nutrition Program procurement issues involved.

Procurement requirements must be met. Reference 7 CFR 210.21; 7 CFR 3016; and OMB Circular A-102, Attachment O.

scholarship fund contributions, or any other payments back to the school district or district

Reference 7 CFR 210.14 and OMB Circular A-87, Attachment A, and OMB Circulars A-102 and A-110.

4. Finally, many of these contracts are multi-year contracts other than for food service management of multi-year contracts, as opposed to single-year contracts, on the purchase of beverage and snack items. Long-term contracts would appear to be more appropriate for nonperishable products and services, such as warehousing and equipment rentals.
5. School districts with existing contracts in place that include CN products must reimburse the CN account its prorata share in accordance with Item 3 above for the current and subsequent school years and maintain appropriate documentation.

Procurement

Contracts must be in compliance with current state and federal regulations that are located in the Procurement Section.

Sample Form to Calculate Food Service Pro-rata Share of Exclusive Beverage Contract for School Year _____

District Name: _____ Co.-Dist. No. _____

Authority: The information requested in this form is required for Texas Department of Agriculture (TDA) compliance monitoring activities, in accordance with 7 CFR 210.14 and OMB Circular A-87, Attachment A, and OMB circulars A-102 and A-110.

Complete this form if your school district has an exclusive beverage contract that also requires participation by the district's Child Nutrition (CN) department. This information will be reviewed by the TDA Food and Nutrition Division to determine school district compliance with federal regulations. (share) of all payments made to the school district by the vendor under the exclusive beverage contract.

1. \$ _____ Total contributions of cash and other assets received by the district under the exclusive beverage contract, as described below:
 - a) All cash payments including but not limited to the following: lump sum payments, scholarship fund amounts, student attendance incentives, any sales promotion bonuses, sponsorship fee values, and other cash payments, and
 - b) Fair market value of donated items including but not limited to the following: software packages received, sports-related items, computer equipment, athletic incentives such as scoreboards, all other supplies and/or equipment.

2. \$ _____ Total purchases by students and/or staff, and district purchases and sales under the exclusive beverage contract. Include the following: All products; carbonated and noncarbonated beverages, approved cups, carbon dioxide, dispensing equipment, other food products, menu boards, etc. purchased, or vended district-wide.

3. \$ _____ Total purchases (or sales) by Child Nutrition Program under contract. Include the following: The total amount of food service purchases under the contract in the district, including concession CN monthly purchases relevant to the contract. Refer to your contract.

4.
$$\frac{\text{Total Purchased by CN (3)}}{\text{Total Purchased by School District (2)}} = \text{_____ \% (Pro-rata share \% to CN Program)}$$

5. _____ % x \$ _____ = \$ _____ Pro-rata dollar amount owed to CN Program

6. Submit documentation showing the transfer of the pro-rata share of funds to the ISD's CN account. Acceptable documentation such as bank statements, copies of canceled checks, or records of accounting transfer should be attached to this form.

In accordance with federal regulations, CN is entitled to its pro-rata share of all payments to the school district in addition to the CN sales and commissions. The ISD must show a clear audit trail (to TDA).
