Directions: Approved Purchase List

Purpose

This tool is intended to serve as a list to assist staff in tracking and managing procured products.

- Menu planners can use this information in developing menus.
- Staff managing the delivery of the product will have the information they need to ensure that the correct product is delivered in the correct quantity.
- Staff managing payments can use the information on the list to verify pricing and quantity before approving invoices to be paid.

This tool will also help the CE maintain the documentation required to demonstrate compliance with procurement regulations.

Use This Form		
Frequency	As needed, but intended to track a one year cycle.	
Required Form Format	Not required.	
Record Retention	Public and charter schools are required to keep documentation related to school nutrition programs for five years. Private schools, other nonprofit organizations, and	
	residential child care institutions (RCCIs) are required to keep documentation for three years.	

Making the List More Useful

Depending on the number of products the contracting (CE) procures, it may be more efficient to use a different sheet for each type of product or by food item or component.
