COMMODITY SUPPLEMENTAL FOOD PROGRAM
H1666 INCOME ELIGIBILITY GUIDELINES FOR THE ELDERLY**

Contracting entities (CEs) must use the income guidelines when determining the eligibility of elderly applicants applying to participate in the Commodity Supplemental Food Program (CSFP).

The Texas Department of Agriculture (TDA) provides CEs with Form H1666, *Income Eligibility Guidelines for the Elderly*, when the United States Department of Agriculture (USDA) issues new income eligibility guidelines. Use Form H1666 when an elderly applicant applies to participate in CSFP.

Compare the applicant's household size and income with the income limits on the chart to determine eligibility.
