

**INSTRUCTIONS FOR  
FOOD & NUTRITION  
HOUSEHOLD APPLICATION FOR USDA FOODS (H1555)  
THE EMERGENCY FOOD ASSISTANCE PROGRAM**

The *Household Application for USDA Foods* (Form H1555) is an application to qualify households to receive United States Department of Agriculture (USDA) Foods through The Emergency Food Assistance Program (TEFAP). The Texas Department of Agriculture (TDA) administers TEFAP in Texas by contracting with organizations for distribution of USDA Foods.

---

CEs or sites should complete the *Household Application for USDA Foods* (Form H1555) when a household initially requests distribution of USDA Foods through TEFAP. Thereafter, CEs or sites should complete this form at least yearly if the household requests to continue TEFAP benefits.

**Notes**

- CE or site may request but must not require proof of information on this form.
- Complete one original per household.
- Keep the original on file.
- Maintain separate records for each household.
- Make additional copies as needed or download *Household Application for USDA Foods* (Form H1555) at [www.squaremeals.org](http://www.squaremeals.org). (Choose Programs, The Emergency Food Assistance Program, TEFAP Administration and Forms, then enter the form number in the appropriate search field.)
- Retain the applications and distribution records of households for three years following the end of the certification periods corresponding to the documents.
  - Exception: If audit findings, claims, or litigation have not been resolved by the end of the retention period, keep all forms and records until all issues are resolved.*
- Retain records of household denials for three years following the decision date.
- TDA does not require the CE or site to use *Household Application for USDA Foods* to determine eligibility. Instead, the CE or site can use an alternate form as long as it contains **all** the information that appears on the H1555. CEs may also refer to *TEFAP Handbook*, Section 3, *Managing the Program*, “*Household Application for USDA Foods*.”
