CACFP At-Risk: Sponsor-Under-Sponsor and Mandatory Site Validation

February 21, 2024

David Dierksen, Assistant Director for Policy
What is “Sponsor Under a Sponsor”?

Occurs when:

• A CE contracts with an unaffiliated organization to manage CACFP At-Risk operations at a specific site; BUT

• The organization signing the site agreement is not affiliated in any way with the site location.

EXAMPLE: A sponsor signs the site agreement with ABC Nutrition, who will serve At-Risk meals at Hetfield Apartment Complex. ABC Nutrition has no legal affiliation with Hetfield Apartment Complex, and no one associated with Hetfield Apartment Complex is involved with the CACFP program whatsoever.
Compliance Issues with Sub-Sponsor Agreements

• Site Agreements are being signed with FSMC/Meal Vendor that is providing food and meal service oversight only (no structured enrichment), circumventing the procurement process.

• Sponsors are signing these agreements and turning all administrative and operational tasks over to the sub-sponsor, resulting in some of the following:
  • Ghost sites
  • Sub-sponsor cutting off operations without notifying the CE, leaving participants and staff at the location confused as to where the meals went.
TDA Plan to Reduce Unallowable Sites

Establish criteria for allowable unaffiliated At-Risk Sites:

• Organization signing the site agreement must maintain oversight over a comprehensive congregate afterschool program, including the enrichment
  • NOTE: Enrichment must be procured with non-Federal funds unless it is tied specifically to the food service itself (for example, a gardening program that grows food to eventually be served in a reimbursable meal)

• If not affiliated with the site location, organization signing the site agreement must have a written MOU with the site location allowing the operation of meal service and an afterschool program.
Allowable Unaffiliated Site Scenarios

**Standard Unaffiliated Site**
- Site Operator
  - Affiliated with location
  - Provides/procures food
  - Provides enrichment

**Sub-sponsor at Unaffiliated Site – Enrichment provided**
- Site Operator
  - Not affiliated with location but has MOU
  - Provides/procures food
  - Provides enrichment

**Site Agreement**

**Memorandum of Understanding**

TDA Plan to Reduce Unallowable Sites

TDA has established an online questionnaire/attestation form that ALL sponsors of unaffiliated At-Risk sites must complete on behalf of all their sites.

• CEs will identify both unaffiliated sites that are “standard” and sub-sponsor managed.

• CEs will attest that the sub-sponsor is providing comprehensive enrichment AND that the CE is providing all required oversight functions.
Valid Child and Adult Care Food Program (CACFP) At-Risk Unaffiliated Site Questionnaire/Attestation

Policy
Child and Adult Care Food Program (CACFP) Contracting Entities (CEs) must maintain operational oversight and have full control over the management and administration of the food program at all unaffiliated sites under their sponsorship for the duration of their program participation (7 CFR 226.16(d)). CACFP CEs sponsoring At-Risk sites may contract with a unitized meal vendor (vended meal provider) or Food Service Management Company (FSMC) to manage food service operations at a site, but the vendor/FSMC must:
- Be properly procured by the CE; and
- The CE must have a signed and TDA-approved Contract for Purchased Meals with the vendor/FSMC.

Unitized meal vendors and FSMCs must not represent themselves as an unaffiliated site. A signed Permanent Agreement (site agreement) between a CE and a meal vendor/FSMC in lieu of a properly procured Contract for Purchased Meals is not valid, and sites established under such agreements cannot claim meals for reimbursement.

Form Instructions
For each unaffiliated At-Risk site under its sponsorship, the CE must be able to address the following questions in this form to meet compliance. Once this attestation form is submitted, TDA may reach out to you for more information.

NOTE: CEs may submit this form multiple times. For example, you may submit this form for the sites you know meet compliance while investigating sites for which you are uncertain. Any new unaffiliated sites added after submittal of this form will require submittal of this form for the new site before that site application can be approved.

2. Do you have unaffiliated sites under your sponsorship that are managed by staff affiliated with the location of service? *
   - The site agreement will be signed by staff of the location where meals are served.

   - No

3. Do you have unaffiliated sites under your sponsorship that are managed by a sub-sponsor? *
   - A sub-sponsor is an organization that signs the site agreement but is not legally affiliated with the site where the At-Risk Program and CACFP meal service is taking place.
   - Yes
   - No

☐ I attest that for each unaffiliated site being managed by a sub-sponsoring organization, the sub-sponsor is providing a comprehensive At-Risk Program, including congregate enrichment activities, and has other non-Federal sources of revenue to cover non-food service expenses (e.g., labor, enrichment materials etc.). If the sub-sponsor is only providing food and staff for meal service, this site is not allowable and will be closed. *

☐ I attest that the CE has a copy of an agreement between the sub-sponsor and the service location authorizing the operation of an At-Risk Afterschool Program. If not, this site is not allowable and will be closed. *

Select only the unaffiliated sites that are managed by a sub-sponsor and meet the criteria of the previous two attestation statements. *
4. For every unaffiliated site listed in both Questions 2 and 3 above, you must attest to the following statements. If during an Administrative Review, TDA discovers any non-compliance with the below attestation statements, meal disallowances and closure of the site may result:

☐ I attest that for each site listed in this form, the organization signing the site agreement is operating a nonprofit food service. *

☐ I attest that for each site listed in this form, I am providing written documentation that details the reimbursement the site is receiving each claimed month. *

☐ I attest that for each site listed in this form, the organization signing the site agreement is not also using CACFP funds they receive for administrative purposes. *

I am providing the following oversight functions at each site listed in this form: *

- Conducting direct monitoring.
- Reviewing all the menus of the sites as well as ensuring the meal production records at each site are being completed.
- Conducting pre-approval visits.
- Adding/submitting changes for and terminating sites.
- Ensuring sites maintain current license/certification and enrollment documents.
- Ensuring all health and safety documentation is maintained and provided to TDA.
- Ensuring the site is providing afterschool educational or enrichment activities, either directly or via a procured vendor, to participants on each day of meal service.
- Providing technical assistance.
- Ensuring organizations submitting sites for participation are not disqualified from participation in any Child Nutrition Program, as well as ensuring site staff in principal positions or performing CACFP functions are not disqualified.
☐ I attest that I am providing the initial and annual training to the staff of the organizations managing the sites listed in this form. *

☐ I understand that for any existing site for which I cannot attest to any of the above, that site must be closed with an effective closure date of no later than September 30, 2024. Any site not closed and/or not submitted via this attestation form by July 1, 2024, will be closed by TDA on behalf of the CE. *

TDA Plan to Reduce Unallowable Sites

• CEs can submit the form once on behalf of all sites or submit multiple times. A form needs to accompany any new unaffiliated At-Risk site.

• Form is due June 30, 2024. After that, TDA will begin closing sites (with a September 30 effective date) for which there is no accompanying attestation statement.

• CEs with ineligible sites should proactively close sites (with September 30 effective date) and seek out alternative means to keep sites open.
Alternative Options for Currently Ineligible Sites

• Encourage the site location itself to oversee the Program and sign the site agreement.

• If sub-sponsor is piggybacking off an unaffiliated enrichment program, encourage the organization providing the enrichment to operate CACFP at the site.

• Operate an affiliated site at the location, with CE-provided staff. An FSMC could be procured (using Federal procurement guidelines) to provide the food and operate meal service.

• GET THE WORD OUT NOW.
Upcoming

• Bi-weekly email reminders will be distributed.
• May – MegaCon Presentation
• June 30 – Questionnaire/Attestation Form must be completed for all unaffiliated sites.
• July 1 – TDA begins closing existing unaffiliated sites for which there is no attestation form. Effective date is September 30 so the sites can still claim meals from the end of the school year.
• September 30 – All sites that do not have an associated Questionnaire/Attestation Form will be closed.
• Later this year – Handbook Updates
