Deletions

Throughout – The Agricultural Act of 2014 (P.L. 113-79, the Farm Bill) amended CSFP’s eligibility requirements to phase out the participation of women, infants, and children (WIC) participating in the program. Because all women and infants have transitioned off the program, the handbook has been revised accordingly.

Determining Foster Child Income – Removed because children are no longer eligible to participate in the CSFP per the Agricultural Act of 2014. NOTE: Children participating on or before February 6, 2014, may be eligible for recertification.

Who Can Apply? – Placed information under different header.
The June 2018 revision replaces the April 2015 version.
