4100 General Administration

4110 Program Year Period

The Farmers’ Market Nutrition Program (FMNP) operates from January through November. Vouchers may only be distributed to participants between February 1 and September 30 of the program year. Participants may redeem current vouchers from the date of issuance through October 31 of the program year.

Contracting Entities (CEs) may submit claims for reimbursement to TDA from February through December 15 of each program year. Claims for reimbursement must be submitted within thirty days of the end of the month in which the expense was incurred. Refer to Item 4115, Voucher Redemption/Submission Deadlines, for more information.

4111 Program Operations

TDA provides vouchers to CEs. These vouchers are redeemable by the Special Supplemental Nutrition Program for Women, Infants and Children (WIC) participants at qualifying local farmers’ markets and roadside stands. CEs will distribute vouchers to eligible WIC participants. CEs may delegate distribution of the vouchers to the Farmers’ Market Association (FMA) or sub-agency if the FMA (or sub-agency) is properly trained to distribute vouchers.

4111.1 Voucher Management Procedures

CEs must establish and maintain written procedures for the management, distribution, security, and accountability of vouchers. TDA will review the CEs’ process/procedure for adequacy to ensure they cover, at a minimum:

- Receipt, storage, and security of voucher booklets prior to issuance;
- Transportation and security of voucher booklets from the CE to distribution site(s), if applicable;
- Security and issuance instructions for voucher booklets at the site(s);
- Distribution of vouchers to participants; and
- System for detecting and resolving voucher issuance problems at the site(s).

4112 Vouchers

Each participant receives five vouchers valued at $30.00 in increments of $6.00 per voucher. CEs, farmers, and farmers’ market associations should only accept vouchers that are valid. Each
voucher must include a unique number with the current year printed on it and dated at the time of redemption. Vouchers are printed in a different color each year to help identify valid vouchers.

4113  Voucher Security

CEs, sub-agencies, Farmers’ Market Associations (FMA) and farmers are all responsible for voucher security. CEs must keep vouchers in a secure area before distribution, during transfer from the CE to market, and after they are returned from FMAs for reimbursement.

CEs must record the series of unique numbers on the cover of the voucher booklet received from TDA. If a sub-agency or FMA is used for the distribution of vouchers, they must record the voucher numbers received from the CE. Refer to Item 4212, Voucher Distribution, for more information.

At the time of redemption by WIC participants, farmers and FMAs should always make sure the vouchers are valid (see Item 4114, Voucher Reconciliation and Redemption and Item 4115, Voucher Reimbursement/Submission Deadlines). The redeemed vouchers must be kept in a safe place.

4114  Voucher Reconciliation and Redemption

Farmers must enter their vendor numbers on the redeemed vouchers to assure proper identification for reimbursement.

Farmers submit their redeemed vouchers to the FMA on a weekly or monthly basis. The FMA must confirm the validity of the redeemed vouchers by ensuring they are dated, and the farmer’s vendor number is entered on each voucher. Redeemed vouchers that are missing the date or vendor number may be rejected by the CE for payment. The FMA will complete the Farmers’ Voucher Redemption List form and submit it to the CE along with the properly redeemed vouchers.

CEs verify and reconcile the redeemed vouchers to the Farmers’ Vouchers Redemption List after they have been submitted by the FMAs or sub-agency. CEs must reconcile vouchers by identifying the disposition of all vouchers as properly redeemed, lost or stolen, or not matching issuance records. CEs must verify:

- Unique numbers on the vouchers are valid,
- Dates on the vouchers are current, and
- Farmer vendor identification number is valid.
4114.1 Voucher Reconciliation/Redemption Procedures

CEs must establish and maintain written procedures for the reconciliation and redemption of vouchers. TDA will review the CE’s procedures for adequacy to ensure they cover, at a minimum:

- Process to determine whether each voucher is validly redeemed, lost or stolen, expired, or inconsistent with issuance records;
  - This should include a process to reduce the number of errors in transactions, where possible.
- Process for handling redeemed vouchers that cannot be traced back to a record of issuance;
- Process for disposing of vouchers that were not issued and/or redeemed;
- Process for voucher redemption.

4115 Voucher Reimbursement/Submission Deadlines

Voucher issuance occurs February 1 through September 30 of each program year. FMNP participants may redeem vouchers at participating farmers’ markets and roadside stands on February 1 through no later than October 31 of each program year. Farmers have until November 15th to submit redeemed vouchers to the FMAs. FMAs should submit redeemed vouchers at least monthly to their CE, with all vouchers being submitted no later than November 30. Failure to submit vouchers by the November 30 deadline will result in non-payment to the farmers.

<tr>
<td><strong>Last Day CEs Submit Claim for Reimbursement to TDA</strong></td>
</tr>
</tbody>
</table>
The CE submits a monthly *FMNP Claim for Reimbursement* to TDA for payment via TX-UNPS\(^1\) within 30 days from when the expense was incurred. TDA will process the claim and issue payment through the Comptroller of Public Accounts to the CEs. The Comptroller will reimburse CEs according to its payment procedures. The CEs will reimburse the FMAs. The FMAs will reimburse the farmers for the amounts submitted for the redeemed vouchers.

The final *FMNP Claim for Reimbursement* must be submitted to TDA no later than December 15 of each year. It is important that FMAs send the redeemed vouchers to their CE no later than November 30 to ensure the CE has time to verify and reconcile the vouchers. Also, CEs must submit any requests for claim adjustments to TDA on or before December 15th of the program year.

TDA will conduct Administrative Reviews of submitted claims and/or redeemed vouchers to determine compliance. See Section 5000, *Visits, Reviews, and Audits*, for additional information.

4116 Negligence, Fraud or Abuse

CEs assume financial liability for negligent or fraudulent administration of the FMNP, if aware of such activity. CEs and other FMNP stakeholders must immediately report suspected fraud or misuse of funds or vouchers, and other major criminal activity to TDA. They can notify TDA at CommodityOperations@TexasAgriculture.gov or (877)-TEX-MEAL. CEs should include information related to the amount involved, location of the incident, suspected parties and other details and facts.

TDA will notify the United States Department of Agriculture (USDA) Food and Nutrition Service (FNS) Regional Office of suspected illegal activity. The FNS Regional Office reports the case to the USDA Office of Inspector General for investigation.

4117 Administrative Funding and Claim Reimbursement

FMNP CEs accept final administrative and financial responsibility for all sites which they operate or delegate (to an approved sub-agency) program activities. FMNP administrative funds may not cover all of a CE’s actual costs.

CEs should submit claims for administrative costs and voucher reimbursement monthly using TX-UNPS. Claims for administrative funds must include all actual and allowable costs for operating the program. Reimbursement for administrative costs is based on distribution and/or redemption of vouchers. CE’s administrative costs, which exceed available administrative funding, are counted toward the state matching fund requirement. See Item 2240, *State Matching Funds*, for an explanation of the state matching funds requirement.

---

\(^1\) TX-UNPS is the web-based application and claims processing system for all food and nutrition programs administered by TDA.
If funding is available, there will be a reallocation at the end of the program year, providing additional administrative funds to CEs. The number of vouchers each CE distributed and/or redeemed will provide the basis for calculating the reallocation of funds.

**4200 Enrolling Participants and Issuing Vouchers**

**4210 Participant Eligibility (7 CFR §248.6)**

The Texas Department of State Health Services (DSHS) certifies participants in the WIC. DSHS will provide eligibility information of WIC participants to TDA in the areas of the state where FMNP is available. Vouchers are provided to WIC participants on a first come, first served basis. Eligible WIC participants include:

- Pregnant women,
- Breastfeeding women,
- Postpartum women,
- Infants over 4 months old, and
- Children aged 1 - 5 years.

Participants must currently take part in the WIC program or are on the waiting list to receive benefits from WIC to be eligible for FMNP vouchers. (7 CFR §248.6(a))

**4211 Dual Participation Not Permitted**

Participants may not receive FMNP vouchers from more than one service area during a program year and are limited to $30.00 per program year. However, participants may redeem their vouchers at any participating FMA.

**4212 Voucher Distribution**

Vouchers are provided to the participants by the CEs directly or through the CE’s FMA or sub-agency, as applicable. Five vouchers, $6.00 each, are given to each participant. Vouchers are for a onetime benefit and are numbered sequentially. To promote voucher security, staff must enter the voucher booklet number on the Participant Voucher Issuance Log at the time the vouchers are distributed.

When vouchers are distributed to participants, the participants’ name and the voucher booklet number must be recorded on the Participant Voucher Issuance Log. If a proxy is receiving a voucher booklet on behalf of a participant, the participant’s name must still be listed on the form. The participant category, as found on the eligibility documentation (or “shopping list”)
must be recorded on the Participant Voucher Issuance Log. The eligibility category must be recorded for each FMNP participant, with the two letters indicated for each category as follows:

- Pregnant
- Breastfeeding
- Postpartum
- Child
- Infant

The staff or volunteer person issuing the voucher to the participant must initial on the line of the Participant Voucher Issuance Log, where the participant’s (or proxy’s) name is recorded.

NOTE: Participants may use a proxy (or authorized representative) when using vouchers. CEs must establish procedures regarding the use of a proxy. The procedures should include, at a minimum, any requirements regarding designation or use of a proxy and the number of proxies a participant may have.

CEs must ensure that all vouchers are distributed to eligible participants without regard to race, color, national origin, sex, age, or disability. Refer to Section 6000, Civil Rights for additional information.

CEs must have a written procedure documenting its process for distributing vouchers. These procedures must be distributed to the FMA or sub-agency if they are distributing vouchers on behalf of the CE.

4213 Confidentiality

CEs must protect the confidentiality of any information that has been provided for eligible WIC participants. CEs may only use the information to determine eligibility for FMNP benefits. The CEs must not release any information that contains a participant’s name or other individual information except on a need-to-know basis for the operation of the FMNP. CEs may release summary information that does not identify individual participants, such as the number of program participants eligible for benefits. (7 CFR §246.26 and 7 CFR §248.24)

4214 Written Notifications

At the time the vouchers are distributed, CEs (or FMAs or sub-agencies that distribute vouchers for CEs) must perform the following notification responsibilities:

- Each participant shall receive instructions on how to redeem vouchers, including locations and names of farmers’ markets/roadside stands at which FMNP vouchers may be redeemed. (7 CFR §248.10(i)(1))
• Each participant shall receive a description of eligible foods and the prohibition against cash change. (7 CFR §248.10(i)(2))
• Each participant shall be informed during voucher distribution of the CE’s complaint procedures about improper farmer/farmers’ market practices regarding FMNP responsibilities and the process for making such a complaint, the right to a fair hearing, and the illegality of participation in the FMNP with more than one CE. CEs must have written grievance procedures for addressing and processing complaints.

4215  Fair Hearing Request

TDA will provide fair hearings for participants, farmers, and farmers’ markets. See Item 8500, Appeals Procedures, for instructions on requesting a hearing, also known as an “appeal.” CEs must provide notification to participants of their right to a fair hearing, as applicable.

4216  FMNP Benefits Excluded from Consideration as Income

The value of benefits or assistance, such as vouchers, under the FMNP must not be counted as income or resources of participants or their families for any purpose under any federal, state, or local law. FMNP benefits are excluded from determination of eligibility for other means tested programs, e.g., Supplemental Nutrition Assistance Program (SNAP). (7 CFR §248.24(a))

4300  Sites

4310  Site Requirements

CEs that utilize sites for the operation of the FMNP (that is, for voucher distribution) must accept final administrative and financial responsibility. During the application process, CEs are required to visit each site as provided in Item 2220.4, Voucher Distribution, Site Information and Market Locations. Refer to Item 4412, Monitoring Contracting Entities’ Sites, for specific instructions related to these visits.

4311  Adding and Deleting Sites

During the program year, a CE may wish to add or delete a site. The addition or deletion of a site is a change (that is, an amendment) to Plan of Operation (Form H1406). If a CE wishes to add a new site, it must:

• Visit the site to verify that it will operate in full compliance with the requirements mandated in the FMNP Agreement,
• Complete Farmers’ Market Locations and Site Information (Form H1420), for each site where vouchers will be distributed, and
• Submit Form H1420 to TDA, as appropriate and include an explanation that clearly details the reason for the change.

If a CE wishes to eliminate a site, the CE must provide notification to TDA of the change when requested to do so.

4312 Authorizing Farmers, Farmers’ Markets, and Roadside Stands

Only farmers, farmers’ markets, and roadside stands that are authorized to participate in the FMNP may redeem vouchers. Farmers’ markets wanting to take part in the FMNP must be certified by TDA. Farmers, farmers’ markets, and roadside stands may only sell eligible foods to participants using the vouchers. If participants want to purchase disallowed produce or goods, they must use other means of payment. Eligible foods must be grown in Texas, New Mexico, Oklahoma, Arkansas, or Louisiana. Food from Mexico or other countries is not permitted in the FMNP. For the list of eligible foods, see Item 11100, Allowed/Disallowed Foods in the FMNP. The majority of the food being sold must be grown by the farmer; wholesalers are not eligible to participate in the FMNP. If farmers’ markets already take part in the Senior Farmers’ Market Nutrition Program (SFMNP), they are automatically authorized to participate in the FMNP.

During the redemption period, farmers, farmers’ markets, and roadside stands must display posters advertising that they will accept FMNP vouchers. Voucher distribution and redemption periods may vary according to growing seasons in different areas of the state.

Farmers must have a written agreement with the FMA to redeem FMNP vouchers. FMAs must have a written agreement with the TDA CE to participate in the FMNP. Refer to Section 3000, Program Agreement, for additional information.

The CE must ensure there is no conflict of interest between the CE and any participating farmer or farmer’s market. For example, employees or volunteers of the CE must not participate in any activity that conflicts with their performance of FMNP duties. Refer to Section 7000, Financial Management, for additional information on financial conflicts of interest.

2 A certified farmers’ market must have at least two produce growers who are growing and selling their own produce. For information on becoming a Certified Farmers Market, please go to https://www.texasagriculture.gov/Grants-Services/Certified-Farmers.
4400 Training and Monitoring

4410 Contracting Entity Training

CEs must attend FMNP training sessions required by TDA. CEs will be notified, in writing, of all mandatory training requirements. TDA is required to conduct interactive (face-to-face or online) training for CEs, FMAs, and farmers new to the FMNP. (7 CFR § 248.10(a)(4) and (d))

If the CE’s staff fails to complete mandatory training, TDA may suspend the CE from participating for the program year.

4411 Staff Training

After a CE’s application has been approved, the CE must conduct training for administrative and site personnel, including volunteers and farmers, before they assume any FMNP duty, and host an annual training thereafter. Training topics must include, but are not limited to, the following topics:

- Identification of eligible foods
- Proper voucher redemption procedures, including deadlines for submission of vouchers
- Equal treatment of participants
- Voucher security, storage, and distribution
- Voucher cancellation procedures
- Civil rights compliance and guidelines
- Record keeping and document retention requirements.

CEs must maintain a record of trainings and attendees (sign-in sheets) which includes:

- Date of training
- Location of training
- Training topics
- Name(s) and signature(s) of attendees and
- Name of trainer.

CEs must keep this documentation with FMNP records.

When developing the training curricula, CEs will benefit from reviewing the information provided in Item 4200, Enrolling Participants and Issuing Vouchers; Item 4300, Sites; and Section 6000, Civil Rights.

In addition to providing FMNP training to its FMAs, sub-agencies, and other organizations, as applicable, CEs must provide technical assistance to these entities upon request.
CEs provide annual training for the FMAs. At a minimum, the training will include:

- Eligible food choices,
- FMNP voucher redemption procedures,
- Fair and equitable treatment of FMNP participants, including availability of foods that are the same quality and cost as those sold to other customers,
- Civil Rights compliance and guidelines,
- Guidelines for storing FMNP vouchers safely, and
- Guidelines for redeeming FMNP vouchers.

Other topics may include:

- Written agreements,
- Purpose of FMNP, and
- Qualification of FMNP participants.

4412 Monitoring Contracting Entities’ Sites

CEs must monitor their administrative and site personnel to:

- Ensure program compliance,
- Investigate reported problems, and
- Determine whether to operate a site during the following program year.

If problems are identified, CEs must take action as provided in Item 5120, Findings.

Independently or in coordination with TDA, CEs will review the distribution sites to:

- Evaluate their operations and activities, and
- Ensure program compliance according to the terms and conditions of their agreements, including, but not limited to:
  - Distributing vouchers,
  - Adhering to non-discrimination requirements,
  - Record keeping requirements, and
  - Voucher security.
4500 Program Administration by Farmers’ Market Associations and Farmers

4510 Agreements with FMNP Contracting Entities

To accept FMNP vouchers, FMAs must sign agreements with the CEs. Farmers’ markets must also have agreements with the farmers in the association so that the farmers may accept the FMNP vouchers.

4511 Voucher Accountability

FMNP participants redeem their vouchers by surrendering them to the farmer to purchase eligible foods. Farmers may not give change. If the participant does not purchase $6.00 of food, the farmer must provide additional food to meet the value of the voucher. Farmers must record the date of redemption on the voucher.

Farmers turn in the redeemed vouchers to the FMAs. FMAs must accept only valid vouchers. A valid voucher will state the dates of use. The FMA prepares the vouchers for payment, identifying valid vouchers and ensures the farmers have included their vendor identification numbers directly on the vouchers. The FMA will list all FMNP redeemed vouchers on the Farmers’ Voucher Redemption List form. The FMA sends the vouchers to the CE by registered mail, UPS, or any other delivery service that uses a tracking system. Voided, expired, lost or stolen vouchers will not be paid.

4512 Vendor Identification Number

After the farmer signs an agreement with the FMA, a vendor identification number will be assigned to the farmer by the FMA. The farmer is required to put this number on the prescribe lines on the front of each voucher redeemed by the participant. A stamp may be used for this purpose. Vouchers without a farmer’s vendor identification number will be invalid and will not be reimbursed.

4513 Monitoring Farmers’ Market Associations, Farmers, and Roadside Stands

CEs are required to monitor farmers, FMAs, and roadside stands annually. Monitoring includes reviewing the market and the farmers’ functions at the market during operation and the processing of FMNP vouchers. CEs must conduct on-site reviews of a minimum of 10 percent of farmers, 10 percent of farmers’ markets, and 10 percent of roadside stands, including those farmers and farmers’ markets identified as being the highest risk. High-risk indicators for program violations for farmers and farmers’ markets include, but are not limited to:

- A high volume of FMNP vouchers redeemed by one farmer in a farmers’ market,
• Participant complaints, and/or
• First year participation of farmers and farmers’ market.

CEs may use the Farmers’ Market Review form when monitoring farmers, FMAs, and roadside stands to ensure compliance with FMNP requirements. For a copy of the Farmers’ Market Review form, access the TDA website at http://www.squaremeals.org/, go to “Programs,” click on “Farmers’ Market Nutrition Program,” choose “FMNP Administration and Forms,” then input the form title in the search field.

During monitoring, CEs must, at a minimum, review the following topics:

• Produce is locally grown,
• Wholesalers are not selling to FMNP participants,
• Vouchers are properly managed and redeemed under the requirements,
• Only eligible foods are being sold to FMNP participants, and
• Training.

Compliance, or test buys, may be performed to make sure vendors are observing all regulations regarding sales to FMNP participants. The monitor will check that only eligible fresh fruits, vegetables, and herbs are being sold and that no change is being given. The monitor completes the Vendor Integrity Evaluation Report for TDA.

For additional information, refer to Item 4412, Monitoring Contracting Entities’ Sites and Item 4515, Sanctions.

4513.1 Monitoring Procedures

CEs must develop and follow written monitoring procedures that describe how the CE will monitor farmers’ markets and farmers and administer sanctions when infractions are found. These procedures, at a minimum, must include:

• Monitoring and evaluation, including development of a review schedule that uses high-risk factors,
• Compliance buys,
• Sanctioning,
• Written Notice,
• Corrective Action, and
• Appeals.

4514 Farmers’ Market Associations (FMA) Responsibilities

In addition to the guidance already provided in this section, FMAs participating in the FMNP must:
• Provide only fresh, nutritious, unprepared fruits and vegetables grown by farmers in Texas, New Mexico, Oklahoma, Arkansas, or Louisiana. Fruits and vegetables allowed under the FMNP are identified in the list of eligible fruits and vegetables provided by TDA.

• Provide fruits and vegetables to FMNP participants that are of the same quality and cost charged as that sold to other customers. Charging a higher price for eligible foods than that charged to other customers for the same foods may result in sanctions.

• Ensure that individual farmers prominently display a sign stating that they are authorized to redeem FMNP vouchers and that individual farmers display prices for FMNP eligible foods.

• Ensure that when farmers sell both FMNP eligible and ineligible produce, the ineligible produce is displayed separately and marked as not eligible for FMNP purchases.

• Redeem FMNP vouchers for no less than their value and do not provide cash change for purchases.

• Do not bill or attempt to collect from FMNP participants any charges from any FMNP vouchers submitted to TDA for reimbursement but not paid by TDA.

• Notify TDA if any farmer or farmers’ market ceases operation prior to the end of the authorization period.

• Notify CE and/or TDA of any market cancellation at least 15 days before market day.

• Abide by FMNP policies. The FMA has a duty to become familiar with the contents of its Agreement with its CE (FMNP-02), the FMNP policies and guidance, and all subsequent revisions.

• Cooperate with periodic compliance monitoring, as conducted by the CE, TDA, and/or USDA.

• Provide access to FMNP records, including vouchers, upon request by any monitoring agency.

• Agree to administer FMNP as required by FMNP regulations in 7 CFR Part 248.

For a comprehensive list, CEs and FMAs should refer to its signed Agreement (FMNP-02).
4515 Sanctions

The CE may disqualify any farmer or FMA from participation in the FMNP if the sanction score reaches 15 points or more during the year of participation. The maximum number of points may be assessed for a single serious abuse or for cumulative penalties for several less serious abuses, or they may come from several abuses occurring at different times during the program year. The disqualification periods are:

<table>
<thead>
<tr>
<th>Total Number of Points</th>
<th>Disqualification Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>15 Points</td>
<td>1 Year May not accept vouchers for the current program year</td>
</tr>
<tr>
<td>20 Points</td>
<td>2 Years May not accept vouchers for the current program year and the next program year</td>
</tr>
<tr>
<td>25 Points</td>
<td>3 Years May not accept vouchers for the current program year and the next two program years</td>
</tr>
</tbody>
</table>

During a disqualification period, a farmer may not take part in the FMNP at another authorized FMA.

Farmers and FMAs have the right to appeal sanctions.

Infractions include, but are not limited to:

<table>
<thead>
<tr>
<th>Infraction</th>
<th>Explanation/Example</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Redemption of invalid vouchers: Redeemed after end date</td>

<td>15 Points</td>
</tr>
</tbody>
</table>

CEs must provide written notification of adverse action to participating farmers and FMAs of any violations of FMNP requirements that require sanctions. CEs must sanction farmers and FMAs for sanctionable violations of FMNP requirements as set forth above.

Refer to Item 4514.1, *Monitoring Procedures*, for more information on the requirement that CEs have a written monitoring procedure covering the monitoring of farmers’ markets and farmers and administration of sanctions when infractions are found.

### 4516 Prohibition on Collecting Sales Tax

State or local sales tax collection is prohibited on the purchase of foods bought with FMNP vouchers. Farmers’ markets are not required to pay sales tax on food purchased with vouchers and must not charge sales tax to FMNP participants.

### 4600 Program Documentation

TDA can only observe the daily operation of the FMNP when conducting Administrative Reviews. Therefore, TDA must rely on the records that CEs maintain to determine its compliance with FMNP requirements and verify the reimbursement to which CEs are entitled.

If a CE’s records do not support eligibility for voucher reimbursement, the CE must repay any amount received improperly.

### 4610 Retention Period

CEs must maintain complete records related to FMNP operations, such as information pertaining to financial operations, voucher issuance and redemption, civil rights procedures, claims and supporting documents that are specific to a particular program year until February 1st, after the third fiscal year of program participation. (7 CFR § 248.23(a)(1))

**Example:** Records for fiscal year 2020 must be kept until February 1, 2024.
Retention Periods:

<table>

**EXCEPTION:** If any litigation, claim, negotiation, audit or other action involving records has started before the end of the 3-year period, the records must be kept until all issues are resolved, or until the end of the regular 3-year period, whichever is longer. (7 CFR § 248.23(a)(2)) These issues are resolved when a final order is issued in litigation, or when the CE and TDA sign a written agreement.

### 4620 Availability of Records

CEs and sites must allow TDA, USDA, the Government Accountability Office (GAO) and representatives of other appropriate agencies to inspect facilities and records and to audit, examine and copy records during normal working hours.

CEs must maintain separate records for each site, and FMNP records must be maintained separately from records of other programs.

**NOTE:** If the *FMNP Agreement* is terminated or not renewed, the CE must retain all records according to the record retention requirements and make them available upon request.
