

**OCT.
1st**

**PY22
Special
Edition!**

**The Wizard of Oz Equivalents
Grains in the CACFP**

I have a feeling we're not in program year 2021 anymore...join us as we go over new requirements for crediting grains using ounce equivalents in program year 2022! There's no place like CACFP LIVE and we promise to deliver a totally wicked session packed with information, updates, and activities- oh my!

**Training:
10:30 AM**

**Lab:
1:30 PM**
