I. PURPOSE

[_____], herein referred to as the School Food Authority (SFA), is responsible for operating the U.S. Department of Agriculture's (USDA) School Nutrition Programs (SNP) in schools under its jurisdiction, pursuant to an agreement with the Texas Department of Agriculture (TDA). To assist in carrying out this responsibility, the SFA is soliciting proposals for school food service management services for the 2024-2025 School Year. This Request for Proposals (RFP) is for a fixed-price contract and sets forth the terms and conditions applicable to the proposed procurement. The offeror is herein referred to as the Food Service Management Company (FSMC). The FSMC will provide services to the SFA as described in the Scope of Work in this RFP and will manage and operate a nonprofit school food service for the SFA according to SNP requirements of the USDA and TDA.

II. NOTICE TO PROSPECTIVE OFFERORS

A. Legal Notice

All costs involved in submitting a response to this RFP shall be borne in full by the party incurring said cost. Offerors or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals. Failure to do so will be at the Offeror's own risk and therefore cannot secure relief on a plea of error.

Any contract that may arise from this RFP will be between the selected FSMC and SFA. Non-Federal funds must be used to pay for any cost incurred prior to the signing of the contract.

The SFA strongly encourages Historically Underutilized Businesses (HUB), Minority and Women Business Enterprises (MWBE), and labor surplus area vendors to compete for this RFP.

B. FSMC Registration

Pursuant to 7 CFR 210.19(a)(5), all FSMCs that wish to contract for food service with any SFA within the State must register with TDA. Only proposals from offerors on the TDA approved FSMC Vendor List of registered companies operating within the State for the school year specified in the RFP may be considered. The approved list is located at: <https://squaremeals.org/Programs/National-School-Lunch-Program/Food-Service-Management-Companies>.

C. Inquiries/Request for Information

If additional information or clarification is required to respond to this RFP, please contact the SFA's business office by telephone at _____ or by email at _____. If additional information is provided, it will be shared with all offerors.

D. Procurement Method

The SFA is conducting this procurement by the Request for Proposals (RFP) competitive procurement method. All procurement transactions shall be conducted in a manner that provides maximum full and open competition consistent with 2 CFR 200.

Discussions may be conducted with responsible offerors who submit proposals determined to be reasonably susceptible to be selected for award, for the purpose of clarification, to assure full

understanding of all terms and conditions of the response to this RFP and contract requirements. In conducting these discussions, there shall be no disclosure of any information derived from proposals submitted by competing offerors.

E. Pre-Proposal Meeting

A meeting with interested offerors to review the specifications, clarify any questions, and for a walkthrough or tour of the facilities with school officials will be held:

_____.

on _____ (Date) at _____ (Time),

at the following _____.

Attendance is _____. Note: If SFA makes attendance by offerors mandatory, then SFA may not waive this requirement. Vendor presentations ___will/will not___ be scheduled at this time. If the SFA requires a presentation, it must be rated as part of the evaluation criteria. The SFA must have parameters set up for how the presentations will be scored and share it with all vendors.

III. PROPOSAL CONTENT AND SUBMISSION

A. Proposal Content

1. Prepare proposals simply and economically. Provide a straightforward concise description of the Offeror's capability to satisfy the SFA's requirements. Emphasis should be placed on completeness and clarity of content.
2. Submit proposals for the performance of all the services described within this RFP. The SFA will not consider any deviation from these specifications and will reject such proposals.
3. To be considered for award of contract, Offeror must submit a complete response to this solicitation using the forms provided. No modification may be made to the RFP document or the forms.
4. The SFA may reject a proposal if the proposal is conditional or incomplete, deemed nonresponsive, or if it contains any alterations or other irregularities of any kind. Any additional terms and conditions attached to or contained in a proposal submitted in response to this RFP will not be considered and may result in disqualification of the proposal. Value-added responses (i.e., an offer of goods and/or services using general terms rather than addressing the expectations specifically defined in the RFP) and overly responsive elements of an offeror's proposal (i.e., an offer of a good and/or service that is not solicited in the RFP) shall not be considered.
5. Inclusion of any false or misleading information shall be sufficient cause for the rejection of the proposal or termination of any subsequent contract.
6. To be eligible for evaluation, a proposal must include all information and vendor signatures where required and adhere strictly to the format set forth below; failure to do so may result in disqualification. Offerors must complete, label, and separate each section, and number all pages. Proposals must not include vendor marketing or promotional materials. A proposal is considered responsive if it follows the required format, includes all attachments, and meets all deadlines and other requirements outlined in this RFP.

Responsive proposals will be evaluated using the weighted criteria stated in the RFP. Proposals will be evaluated by a committee consisting of SFA employees and representatives familiar with the terms and conditions of the RFP criteria and the evaluation process.

B. Basis of Award

The selection for contract award will be based on the evaluation criteria set forth below, as well as the cost for all deliverables, goods, services, and/or work specified in this RFP. Award will be made to a qualified and responsible offeror whose proposal is most advantageous to the SFA's school lunch program, price and other factors considered, with price as the primary factor. A responsible offeror is one whose financial, technical, and other resources indicate an ability to perform the services required.

In determining to whom to award a contract, the SFA is not limited to selecting the proposal with the lowest cost but may consider other factors such as: (1) the extent to which the goods or services meet the SFA's needs; (2) indicators of probable vendor performance under the contract such as past vendor performance, the FSMC's past relationship with the SFA, the FSMC's financial resources and ability to perform, or the FSMC's experience or demonstrated capability and responsibility; and (3) any other relevant factor specifically listed in the RFP. While price is not the sole basis for the award, price shall be the primary consideration in the selection for the award.

V. GENERAL CONTRACT TERMS

A. Contract Term and Renewals

1. Unless terminated in accordance with Section VI, Subsection K, this Contract will be in effect for a period of one year commencing on July 1, 2024, and terminating on June 30, 2025. The Contract may be renewed for up to four (4) additional one-year periods, with the term of the renewal commencing on July 1st following the expiration of the preceding one-year term of the Contract, upon mutual agreement between SFA and FSMC and subject to fulfillment of all contract terms designated herein.
2. Renewal contracts may not be effective prior to the final approval date by TDA and signed by both parties.
3. Failure to have renewal contracts fully executed prior to the contract expiration will lapse this contract and require the SFA to re-bid the contract.
4. Renewal year contracts are contingent upon fulfillment of all contract provisions. If TDA determines during an Administrative Review, Procurement Review, or audit of the SFA's operations of the school food service that the FSMC is not meeting contractual obligations and is responsible for non-compliance of program regulations, TDA may decline to approve a renewal contract.
5. The SFA's policies, practices, and service requirements shall remain materially consistent throughout the contract term and any subsequent contract renewals. The term materially consistent shall mean that a change does not (1) materially increase FSMC's cost of providing management service or (2) materially decrease the net revenue derived from the food service operations.

B. Changes and Amendments

1. Material changes to the Contract are not permitted. Changes to the scope of services to be provided by the FSMC beyond the original intent of this RFP will require this Contract to be rebid.
2. Any changes to the terms or conditions of this Contract which are required by federal, or state laws or regulations are automatically incorporated into the Contract without written amendment and shall become effective on the date specified in such law or regulation.
3. Price Adjustments. The fixed price per meal/meal equivalent may be increased on an annual basis by the Yearly Percentage Change in the Consumer Price Index (CPI) for All Urban Consumers, Food Away from Home, National Average as published by the U.S. Department of Labor. Such increases shall be effective on a prospective basis on each anniversary date of this Contract and will only be permitted if approved in advance by the SFA. Fee increases for the upcoming Contract renewal year must use the CPI approved by TDA. No other fee increases or fees will be allowed, unless approved by TDA. Price adjustments shall be by amendment in writing and executed by both parties to this Contract.

C. Contract Documents

The complete contract will include this RFP and the proposal submitted by the FSMC, as outlined in Section III, Subsection A, paragraph 6, of this RFP.

D. TDA Review

The Contract may not be executed until it is approved by TDA in writing. Costs incurred prior to TDA approval may not be paid using federal child nutrition funds.

12. The FSMC shall implement an accurate point of service count using the counting system provided by SFA in its application to participate in the School Nutrition Programs and approved by TDA for the programs listed in Subsection A, Scope and Purpose, Paragraph 2, herein, as required under USDA regulations. Such a counting system must eliminate the potential for the overt identification of free and reduced-price eligible students under USDA Regulation 7 CFR 245.8(b).

C. Use of Advisory Group/Menus

1. SFA shall establish, and the FSMC shall participate in the formation, establishment, and periodic meetings of, an SFA advisory board composed of students, teachers, and parents to assist in menu planning. Reference 7 CFR 210.16(a)(8).
2. FSMC must serve meals that follow the 21-day menu cycles that meet the food specifications as written, which is attached to this Contract as "Exhibit F" and fully incorporated herein, and that meet School Nutrition Program requirements. The 21-day cycle menus developed and provided by the SFA allows the FSMC to determine the bid price. These menus must be followed without any changes to specifications. The menus are attached to this Contract as "Exhibit M" and fully incorporated herein. At a minimum, such food specifications shall include: (i) a recipe for each menu item that includes the total yield, portion size, ingredients, and all USDA-required nutrient information; (ii) the identity of all branded items that may be used in the meal; and (iii) whenever possible, the grade, style, and condition of each food item and other information that indicates the acceptable level of quality for each food item. A hard copy of these recipes shall be kept on file at SFA.
3. FSMC must follow: (i) the 21-day menu cycle and food specifications developed by the SFA for the NSLP; (ii) the 21-day menu cycle and Meal Specifications developed by SFA for the SBP; (iii) the 21-day menu cycle and Meal Specifications developed by SFA for the After School Snack Program; and

(iv) the 21-day menu cycle and Meal Specifications developed by SFA for the Summer Program (Reference 7 CFR 210.16(b)(1)) or any other program operated on behalf of the SFA. The vendor shall not request any modifications to the initial 21-day menu cycle and must serve exactly what is specified and as is specified by the SFA. The FSMC agrees to reimburse the SFA for any disallowances resulting from noncompliance with the initial 21-day menu cycle.

4. FSMC shall serve à la carte items that meet all state and federal School Nutrition Program requirements. FSMC shall provide documentation that demonstrates that all non-program foods and meals, such as à la carte items, comply with all applicable School Nutrition Program requirements.
5. FSMC may not change or vary the menus after the first menu cycle for any program without the written approval from the SFA. SFA shall approve the menus no later than two weeks prior to service. (Reference 7 CFR 210.16 and 7 CFR 210.10) Any changes or variances requested by an FSMC for substitutions to the SFA menu of lower quality food items shall be justified and documented in writing by FSMC. FSMC must maintain documentation for substitutions and justification of lower quality food items for the records retention period that is applicable to food production records and shall make such documentation available to SFA, TDA, and USDA for review upon request 7 CFR 210.16(c)(1) and 7 CFR 210.23.
6. FSMC must submit an FFVP cycle menu based on the information contained in the 2004 Resource, *Fruits and Vegetables Galore: Helping Kids Eat More*, (available from the FNS website, and as described in current guidance from USDA and TDA) if operated.

D. Purchases and Geographic Preference

1. Whether the SFA conducts its procurement or whether the FSMC procures products on behalf of the SFA, the FSMC may not require any additional liability coverage, regardless of dollar value, beyond that which the SFA would require under procurements not involving the FSMC.
2. If applicable, the FSMC shall document and track all FFVP expenses separately and make this documentation easily accessible for SFA or TDA review. Cost should be broken into two categories: (1) operational cost and (2) administrative cost.
 - a. Operational costs should cover the primary cost to run the FFVP to include the purchase of fruits and vegetables, including the cost of pre-cut produce and delivery charges; non-food items or supplies that are used in serving and cleaning; and salaries and fringe benefits for employees engaged in preparing and distributing fresh fruits and vegetables and in maintaining a sanitary environment.
 - b. Administrative costs are used principally to support planning and managing the program. The SFA is required to strictly scrutinize all requests for reimbursement of FFVP costs, to ensure that those costs are: (i) allowable; (ii) actual costs; (iii) fully documented; (iv) utilized to purchase fresh fruits and vegetables in accordance with applicable law and regulations; and (v) do not request reimbursement for more than 10% for administrative costs. TDA will monitor the SFA and the FSMC to ensure strict compliance with this provision.
 - c. The FSMC must return the full value of USDA Foods to the CE.
3. FSMC shall complete such purchasing activities in a manner that does not result in duplication of services or expenses in accordance with 2 CFR Part 200.318(d). FSMC and SFA shall ensure that no conflict of interest exists between the third-party purchasing agent, if any, and the SFA's contracted FSMC. The FSMC must not procure additional goods or services beyond what is stipulated in this Contract.

4. SFA shall ensure that FSMC shall comply with all applicable competitive bidding and open competition requirements for such purchases, as set forth in 2 CFR Part 200, including but not limited to 2 CFR 200.318-200.327.
5. SFA and FSMC acknowledge that to the extent required by 7 CFR 250.17(e), 2 CFR Part 200, SP 38-2017, and SP 32-2019, SFA must, to the maximum extent practicable, purchase only domestic food and food products for the National School Lunch Program and School Breakfast Program that are produced and processed in the United States using over 51% domestic foods, by weight or volume. As required by the Buy American provision, all products must be of domestic origin as required by 7 CFR Part 210.21(d). A “domestic commodity or product” is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR 210.21(d). Exceptions to the Buy American provision should be used as a last resort; however, the SFA only may approve an alternative or exception. Requests for exception must include the: a) Alternative substitute(s) that are domestic and meet the required specifications:
 i) Price of the domestic food alternative substitute(s), and ii) Availability of the alternative domestic substitute(s) in relation to the quantity ordered; and b) Reason for exception: limited/lack of availability or price (include price): iii) Price of the domestic food or food product; and iv) Price of the non-domestic food or food product that meets the required specification of the domestic food or food product.
6. To indicate a geographic preference, the SFA must check ONLY ONE of the following:
 - ☐ For this contract, SFA requires that FSMC work with the SFA to establish a process for incorporating geographic preference in the procurement of *unprocessed locally raised and locally grown agricultural products*.
 - ☐ For this contract, SFA does not require that FSMC work with the SFA to establish a process for incorporating geographic preference in the procurement of *unprocessed locally raised and locally grown agricultural products*.

E. USDA Foods

1. SFA shall retain title to all USDA Foods.
2. The USDA Foods in Schools program supports domestic nutrition programs and American agricultural producers through purchases of 100% American grown and produced foods for use by schools and institutions participating in the National School Lunch Program among other programs.
3. SFA shall ensure that all federally donated foods received by the SFA and made available to the FSMC accrue only to the benefit of the SFA’s nonprofit school food service and are fully utilized therein. 7 CFR 210.16(6).
4. SFA shall ensure USDA Foods or processed end products containing USDA Foods shall not be used for catering or special functions conducted outside of the nonprofit school food service operation.
5. SFA shall assure that the maximum amount of USDA Foods is received and utilized by FSMC. 7 CFR 210.9(b)(15).
6. SFA shall ensure that FSMC has credited SFA for the value of all USDA Foods received for use in SFA’s meal service in each School Year, (including both entitlement and bonus foods) regardless of whether the USDA Foods have been used. The value of foods received shall appear as a credit on the invoice for the month in which the donated food was received. This must include the value of USDA

Foods contained in processed end products, in accordance with the contingencies in 7 CFR part 250.51(a).

7. SFA shall maintain final responsibility for management and oversight of the procurement for processing agreements, private storage facilities, or any other aspect of financial management relating to USDA Foods. 7 CFR 210.16, 7 CFR 250.50(d).
8. The FSMC will not itself enter into the processing agreement with the processor required in subpart C of 7 CFR part 250; 7 CFR 250.53(a)(8).
9. FSMC will conduct all activities relating to USDA Foods for which it is responsible in accordance with 7 CFR Parts 250, 210, 220, 225, and 226, as applicable.
10. The FSMC shall credit the SFA the value of USDA Foods contained in the end products at the processing agreement value monthly. 7 CFR 250.50(c); 250.53(a)(3). All refunds received from processors must be credited on invoices submitted to the SFA's Nonprofit School Food Service Account. 7 CFR 250.51(a-b). The method used to determine the donated food values may not be established through a post-award negotiation or any other method that may directly or indirectly alter the terms and conditions of the procurement or contract.
11. FSMC must accept and use all USDA donated ground beef and ground pork products, and all processed end products in the SFA's Food Service Program, and must use all other donated foods, or commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the donated foods, in the SFA's food service (unless the contract specifically stipulates that the donated foods, and not such commercial substitutes, be used). Upon termination of this Contract, or if this Contract is not extended or renewed, FSMC must return all unused donated ground beef, pork, and processed end products to SFA. 7 CFR 250.51(d); 7 CFR 250.52(c); 7 CFR 250.53(a)(5).
12. FSMC further agrees to accept and use all other USDA Foods in SFA's food service. FSMC may or may not use (substitute) commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the USDA Foods, in SFA's Food Service Program. 7 CFR 250.53(a)(6).
 - a. SFA shall consult with the FSMC in the selection of USDA Foods; however, the final determination as to the acceptance of USDA Foods must be made by the SFA.
 - b. Upon termination of this Contract, FSMC must, at SFA's discretion, return other unused USDA Foods to SFA. The value of other unused USDA Foods shall be based on the market value of all USDA Foods received for use in SFAs food service. The market value shall be provided to the SFA by TDA. 7 CFR 250.51(a). The average material prices are listed by school year and used by processors participating in the USDA Foods processing program. The file provides the value of the material and is used on their Summary End Product Data Schedules.
 - c. At the end of the year, the FSMC shall reconcile the value of USDA Foods received against credits provided on monthly invoices. The contractor shall provide final credit of any balance due to the SFA. The total credit given for USDA Foods in each year must equal the USDA Foods, including bonus foods, received to the SFA. The credits must also encompass any transfers from other SFA and/or the state agency accepted in excess of directly received USDA Foods.

13. FSMC shall have records maintained and available to substantiate the receipt, use, storage, and inventory of USDA Foods. The FSMC must submit to the SFA monthly inventory reports showing all transactions for processed and non-processed USDA Foods. Failure by the FSMC to maintain records as required by 7 CFR section 250.16 shall be considered prima facie evidence of improper distribution or loss of USDA Foods and the FSMC shall be subject to the provisions of 250.13(e). FSMC shall accept liability for any negligence on its part that results in any loss of, improper use of, or damage to USDA Foods.
14. If the FSMC acts as an intermediary between a processor and the SFA, the FSMC shall credit the SFA for the value of USDA Foods contained in the processed end products at the USDA processing agreement value, unless the processor is providing such credit directly to the SFA. The FSMC will issue all such credit in full prior to the expiration of each Contract Term. Any extensions or renewals of this contract, if applicable, are contingent upon the fulfillment of all contract provisions related to foods.
15. FSMC will comply with 7 CFR 250.14(b); 250.52, and 250.53(a)(9) concerning storage and inventory management of USDA Foods. 7 CFR 250.53(b). Failure by FSMC to maintain the required records under this Contract shall be considered prima facie evidence of improper distribution or loss of USDA Foods.
16. FSMC will comply, as applicable, with 7 CFR 250.51 and 250.52 concerning payment of processing fees or submittal of refund requests to a processor on behalf of the SFA, or remittance of refunds for the value of foods processed in products to the SFA, in accordance with requirements in 7 CFR Part 250 subpart C.
17. FSMC shall allow SFA and/or any state or federal representative or auditor, including USDA or their duly authorized representatives, to perform onsite reviews of FSMC's food service operation, including the review of records, to ensure compliance with requirements for the management and use of USDA Foods 7 CFR 250.53(a)(10).
18. FSMC shall maintain records to document its compliance with requirements relating to USDA Foods in accordance with 7 CFR 250.54(b) 7 CFR 250.53(a)(11).
19. FSMC acknowledges that the renewal of this Contract is contingent upon the fulfillment of all contract provisions herein relating to USDA Foods 7 CFR 250.53(a)(12).

F. Employees

1. FSMC shall provide and pay a staff of qualified, trained management (and operational) employees assigned to duty on SFA's premises for the efficient operation of the Programs.

4. If the FSMC is required to retain labor for the operations, each position that will be transitioned from the SFA to the FSMC shall be identified in Exhibit C, Chart 2, and Exhibit E, which are attached to this RFP and fully incorporated herein. SFA shall include the methodology or details regarding how labor will be transitioned to the FSMC. Such items shall include salary, benefits, withholding requirements, and expected date of transition (or contract year).
5. For any employee positions that will be hired by the FSMC, SFA shall provide in Exhibit E a list of each FSMC food service position and the minimum qualifications acceptable to SFA for each position. SFA shall have final approval regarding the hiring of the following positions assigned to the Food Service Program. List positions or N/A:

6. Any food service position not identified in the above-stated Exhibits shall be an employee of SFA. Such employees shall be supervised on SFA's behalf by FSMC management employees; provided, however, that SFA shall retain the exclusive right to control the terms and conditions of the employment of such supervisory and non-supervisory employees, including, but not limited to, control over their hiring, firing, promotion, discipline, levels of compensation and work duties.
7. If SFA is sharing FSMC employees with other SFA, SFA shall identify in Chart 6 of the Exhibit C: Charts which is attached to this Contract and fully incorporated herein, each SFA with whom the FSMC employee is to be shared and state the percentage of time each employee will spend with each SFA. SFA's budget shall reflect the percentage of time each employee will work at SFA and for which SFA will be charged.
8. FSMC shall comply with all wages and hours of employment requirements of federal and state laws. 9. If a transition occurs, the FSMC shall give first consideration to current employees of SFA or incumbent contractor when hiring employees to provide services pursuant to this Contract, but FSMC shall not be obligated to hire such employees. SFA shall not pay the cost of transferring SFA employees to FSMC payroll.
10. FSMC shall provide Workers' Compensation coverage for its employees, as required by law.
11. FSMC shall instruct its employees to abide by the policies, rules, and regulations with respect to the use of SFA's premises as established by SFA and which are furnished in writing to FSMC.

13. FSMC shall assign to duty on SFA's premises only employees acceptable to SFA.
14. Staffing patterns, except for the Food Service Director, shall be mutually agreed upon.
15. FSMC will remove any employee who violates health requirements or conducts himself or herself in a manner that is detrimental to the well-being of the students, provided such a request is not

in violation of any federal, state, or local employment laws. In the event of the removal or suspension of any such employee, FSMC shall immediately restructure the food service staff to avoid disruption of service.

16. FSMC shall require all its employees assigned to duty on SFA's premises to submit to health examinations as required by law and shall submit satisfactory evidence of compliance with all health regulations to SFA upon request.

19. FSMC shall not blacklist or require a letter of relinquishment or publish or cause to be published or blacklisted any employee of FSMC or SFA discharged from or voluntarily leaving the service of FSMC or SFA with the intent of and for the purpose of preventing such employee from engaging in or securing similar or other employment from any other corporation, company, or individual.
20. Both SFA and FSMC shall ensure that their employees adhere to the professional standards and continuing education training requirements as required by federal regulations, codified at 7 CFR 210.30, throughout the initial term and all renewals of this Contract. School food authorities that operate the National School Lunch Program, or the School Breakfast Program 7 CFR Part 220, must establish and implement professional standards for school nutrition program directors, managers, and staff, as defined in 7 CFR 210.2. Both SFA and FSMC shall establish and implement the foregoing standards and requirements under this Contract. Under this provision, FSMCs must provide technical training to staff outside of TDA training.

G. Use of Facilities, Inventory, Equipment, Storage, and Utilities

1. SFA will make available, without any cost or charge to FSMC, area(s) of the premises in which FSMC shall render its services. SFA shall always have full access to the food service facilities and for any reason, including inspection and audit.

FSMC and SFA shall mutually agree on the usability of such supplies and equipment and, at the expiration or termination of this Contract, FSMC shall surrender to SFA all non-expendable supplies and capital equipment in the condition in which it was received except for ordinary wear and tear, damage by the elements and except to the extent that said premises or equipment may have been lost or damaged by vandalism, fire, flood or other acts of God, or theft by persons other than employees of FSMC except through the negligence of FSMC or its employees, or for any other reason beyond the control of FSMC. FSMC and SFA will sign a summary of the beginning inventory at the commencement and the expiration or termination of this Contract and keep a copy of each on file with this Contract.
3. At the commencement and the expiration or termination of this Contract, FSMC and SFA shall jointly undertake a beginning and closing inventory of all food and supplies. USDA Foods shall also be inventoried by a separate inventory. FSMC and SFA shall determine whether any portion of the beginning inventory is not suitable for SFA's continued use. Such inventory, when completed, shall

become a part of this Contract by incorporation. FSMC shall be responsible for accounting for any difference between the beginning inventory and the ending inventory and shall compensate SFA for any shortfall in inventory not arising from (1) normal wear and tear; or (2) theft, fire, or other casualty loss beyond the control of FSMC and not arising from the negligence of FSMC or its agents. The value of the inventories, except for USDA Foods inventories, shall be determined by invoice cost. The value of USDA Foods inventories shall be the market value, which is the value in USDA's Electronic Commodity Ordering System (ECOS) at the time the USDA Foods are received by SFA. Upon termination of the contract, the FSMC cannot remove any USDA Foods from the SFA.

4. During this Contract, title to all SFA food and supplies shall remain with the SFA.
5. FSMC shall maintain the inventory of silverware, chinaware, kitchen utensils, and other operating items necessary for the food service operation and at the inventory level as specified by SFA.

8. FSMC shall provide SFA with keys for all food service areas secured with locks.
9. SFA shall provide FSMC with local telephone service.
10. SFA

☐ shall or ☐ shall not

provide water, gas, and electric service for the food service program. If SFA is providing water, gas, and electric service for the food service program, charges to the food service account shall be made at least quarterly. SFA may use this formula if kitchens do not have individualized meters:

SFA will:

- a. Calculate the square footage of the kitchen by developing a percentage of utilities based on the square footage of the food service facilities in relation to the school's total square footage.
- b. Determine the percentage of time the kitchen is in use compared to the total campus use. (The kitchen may operate 7 hours but the school day with activities may be 9 hours.)
- c. Apply percentages to the average cost of the total utilities.

The SFA will only charge utilities for kitchens during months of operation (if the kitchen was not operating in the summer. The district must not charge the food service operation for utilities during the summer months.) The district must not include cafeteria usage when the cafeteria is used for purposes other than feeding students (pep rallies, study hall, evening functions).

11. SFA shall furnish and install any equipment and/or make any structural changes to the facilities needed to comply with federal, state, or local laws, ordinances, rules, and regulations.

12. SFA shall be responsible for any losses, including USDA Foods, which may arise due to equipment malfunction or loss of electrical power not within the control of FSMC.

15. FSMC shall notify SFA of any equipment belonging to FSMC on SFA premises within ten days of its placement.
16. FSMC shall comply with all SFA building rules and regulations.
17. FSMC shall not use SFA's facilities to produce food, meals, or services for third parties without the approval of SFA. If such usage is mutually acceptable, there shall be a signed agreement that stipulates the fees to be paid by FSMC to SFA for such facility usage. Such usage may not result in a cost to the Non-profit School Food Service Account.
18. Upon termination of this Contract, FSMC shall surrender to SFA all SFA's equipment and furnishings used in SFA's Food Service Program in good repair and condition, reasonable wear and tear excepted.

H. Health Certifications/Food Safety/Sanitation

1. FSMC shall maintain, in the storage, preparation, and service of food, proper sanitation and health standards in conformance with all applicable State and local laws and regulations and comply with the food safety inspection requirements of 210.13(b). 7 CFR 210.9(b)(14).

9. FSMC shall allow at least two health inspections to be conducted by the Health Department at every site involved in the school meal preparation and/or service as required by 42 U.S.C. §1758(h)(1).

I. Financial Terms

1. All income accruing as a result of payments by children and adults, federal and state reimbursements, and all other income from sources such as donations, special functions, catering, à la carte, vending, concessions, contract meals, grants, and loans shall be credited to the Non-profit School Food Service Account daily. Any profit or guaranteed return shall remain in the SFA's Non-Profit School Food Service Account.
2. All facilities and equipment to be provided by the SFA shall be provided at SFA's expense.
3. Meal Equivalency Factor
 - a. For the purpose of making the meal count computation, the number of meals served to children shall be determined by actual counts of reimbursable meals.
 - b. The FSMC and SFA shall determine à la carte meal/non-program equivalents by dividing the à la carte revenue by the per-meal sum of the previous year (PY) Federal free lunch meal reimbursement plus the per-meal value of PY USDA Foods entitlement and bonus USDA Foods entitlement. The meal equivalency factor (MEF) shall be updated annually for any year that the contract is renewed.
 - c. The Meal Equivalency Factor (MEF) shall be published by TDA yearly.
 - d. Meal equivalents shall be determined with the following formula:

☐ No Guarantee Required
 - c. Any guarantee offered by the FSMC shall be based solely on the information contained in this RFP. Additional addendum and terms are not permitted.
5. Payment Terms/Method
 - a. The FSMC must be paid at a fixed rate per meal/meal equivalent. The proposal/bid rate per meal must be calculated as if no USDA Foods were available. The method by which FSMC will use and account for USDA Foods shall be in accordance with Subsection E, USDA Foods, hereinabove.

FSMC shall invoice SFA within 14 days after the end of each Accounting Period for the total amount of SFA's financial obligation for that Accounting Period.

- b. SFA shall make payment in accordance with the Texas Prompt Payment Act, Tex. Gov't Code Chapter 2251; however, no interest or finance charges that may accrue under this Contract may be paid from SFA's Nonprofit School Food Service Account.
- c. FSMC must submit detailed documentation for each Accounting Period to support what the SFA is charged. Upon termination of the Contract, all outstanding amounts shall immediately become due and payable. Each invoice submitted by FSMC will include reconciliation for any overpayment or underpayment from prior Accounting Periods and shall identify and account for donated food as stated hereinabove.
- d. FSMC shall be responsible for paying all applicable taxes and fees, including, but not limited to, excise tax, state and local income tax, payroll, and withholding taxes, for FSMC employees. FSMC shall indemnify and hold SFA harmless for all claims arising from the non-payment of such taxes and fees.
- e. Applicable only if a subsidy is requested in Subsection I, paragraph 4 above: SFA and FSMC shall cooperate to ensure that SFA's Food Service Program is operated in accordance with SFA's Food Service Budget. In the event that the FSMC's operation of SFA's Food Service Total Expenses are greater than Total Revenue, FSMC shall within 30 days pay SFA a subsidy payment as outlined in #4 above. In the event that the FSMC pays a subsidy, FSMC may not recover the subsidy from SFA in subsequent Contract years.
- f. SFA shall not be responsible for any expenditure incurred by the FSMC before the execution of this Contract and approval by TDA.
- g. Payments on any claim shall not preclude the SFA from adjusting payment to FSMC of any item found not to have been in accordance with the provisions of this RFP and Contract and bid specifications.
- h. SFA shall retain control of the Non-profit School Food Service Account and overall financial responsibility for SFA's Food Service Program.
- i. The SFA shall establish all selling prices, including price adjustments, for all reimbursable, non-reimbursable meals/milk, à la carte, and non-program sales (including vending, adult meals, contract meals, concessions, and catering) prices.
- j. FSMC shall promptly pay SFA the full amount of any meal overclaims, disallowed costs, or other fiscal actions that are attributable to the FSMC's actions hereunder, including those overclaims based on review or audit findings that occurred during the Effective Dates of original and renewal Contracts.
