

Food Program Application Update Windows in TX-UNPS

Food Program Application Update Windows in TX-UNPS		
Program	Program Year 2020-2021	Program Year 2021-2022
NSLP/SBP/ASCP	July 2020-June 2021 Amend applications now if needed	July 2021-June 2022 (Application currently open in TX-UNPS) Update now once all amendments to PY 21 are finalized.
SSO	Oct 2020-Sept 2021 Amend applications now if needed.	Oct 2021-Sept 2022 (Application opens 07/15/2021) Update after 07/15/2021 once all amendments to PY21 are finalized.
SFSP	Oct 2020-End of summer break 2021 (Operates until end of summer break when school is not in session) Amend applications now if needed.	(Application opens 01/15/2022) Update after 1/15/2022 for sites operating during the normal summer break of 2022 when school is not in session.
CACFP At-Risk	Sept 2020-Oct 2021 (Operates when normal school year is in session) Amend applications now for sites with operations ending prior to start of summer break. Amend applications now for sites starting prior to Sept 30, 2021 that operates once summer break is over and school is back in session.	Oct 2021-Sept 2022 (Application opens 07/01/2021) Update after 07/01/2021 once all amendments to PY21 are finalized.

Important Notes:

- The PY 2021-2022 application open dates will update the default program year in TX-UNPS to 2022. CEs will need to ensure they manually select PY 2021 if amendments are required to be made.
- Finalized amendments (complete and approved applications) are required in the prior program year as some data is conveyed to the new program year.
