National School Lunch Week

Level Up with School Lunch: October 9-13

NSLW Theme

TDA is excited to announce this school year's National School Lunch Week (NSLW) theme: Level Up with School Lunch! We are pleased to share that the theme aligns with the School Nutrition Association which will make planning for and participating in this national celebration more convenient for you and your school.

The Level Up with School Lunch theme is intended to engage students and encourage them to eat healthy school meals by linking nutritious foods to video games that resonate with them. Students can gain health points (aka "HP") with fruits and vegetables or "Power Up" with protein food from your menu.

Level up recipes, student engagement, and fun at your school!

Are you ready to get your NSLW Game on? It's time to plan your NSLW 2023 campaign. The Texas Department of Agriculture (TDA) has created no cost materials that enable you and your staff to easily promote participation in NSLW, October 9-13. Access digital materials and order printed resources below including Cafeteria posters, Taste Testing Toolkit, Menus, and more!

NSLW Implementation Toolkit

Not sure where to begin? Review the Implementation Toolkit first to learn more about the NSLW resources available along with ideas on how to implement them, and a timeline to help you stay organized and aid in your planning process.

Implementation Toolkit – Guide that describes the no cost, NSLW themed menus, activities, and promotion resources available through TDA and creative ways to utilize them for your NSLW celebrations.

How is YOUR school celebrating National School Lunch Week?

TDA wants to hear about how your school is preparing to "Level Up with School Lunch"! Please complete this [short survey](#) about your NSLW celebrations. Thanks!!
