CSFP and TEFAP Inventory Management

August FNS-153 review is complete. Our highest CSFP Months on Hand inventory levels are UHT Milk (6.86 MOH) and Non-Fat Dry Milk (4.31). Continue to review the BIUB dates for all inventory and distribute accordingly. If any transfers are needed, please notify TDA.

September FNS-153 Template has been sent out.

The Quarterly TEFAP FNS-155 report is due on October 6, 2023. Continue to maintain inventory levels at 6 Months on Hand or less.

Continue to enter Goods Receipts into WBSCM within 24 hours of receiving CSFP and TEFAP inventory.

Handbook Revisions for Farmers Market Nutrition Program and Senior Farmers Market Nutrition Program

TDA recently released revisions to FMNP and SFMNP handbooks, sections 2000, 4000, 6000, and 9000.

The accompanying revision notices outline the changes and are posted on with the corresponding handbook sections on SquareMeals.
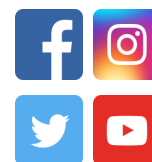

Changes include updated descriptions for revised forms, updated links to the Certified Farmers Market Program, edits made to indicate roadside stands are eligible to participate in the programs, edits made to reorganize items for clarity, and edits made to remove redundant information. FMNP Handbook was also edited to reflect infants and children up to age 5 are eligible to participate in the program.

SY 2023-2024 Special Provisions Carryover Reports
