Texas ELMS – Scheduled Outages

December 20 – December 23

Our Austin office will have no electricity during select holiday weekends to support necessary building maintenance. Because our servers for this system are stored on site, **Texas ELMS will be unavailable during these periods.**

TX-UNPS will remain accessible.

Verification Reports – Missing Submissions

9 outstanding

Error Report was sent out earlier this week.
Biweekly through February.

Identifies CEs with:

- No submission
- Errors that need review

Confirmations and questions can be sent to DirectCertification@TexasAgriculture.gov.

TANS Update – TANS Talk Follow Up

TX-UNPS Historical Data – Feedback Needed!

- Requesting feedback: specific data or TX-UNPS screens that will be needed after 2025
- Available through December 20th
- Users will have access to TX-UNPS during TANS application period
- Uploads and attachments cannot be provided

Next TANS Talk: January 9 at 1 PM
