## SFSP Annual Training

### 2025 SFSP Annual Training

TDA offers three modes of training:

SFSP Training Page

1 – self-paced training video

Plus, two options hosted by our Education Service Centers

2 – SFSP Live in April 2025

3 – In-person at the ESC March 2025 through April 2025

Detailed information and training schedule can be accessed at this link:  
<https://www.squaremeals.org/FandN-Resources/Training/SFSP-Training>

Each option will provide a certificate of completion, which the person responsible for the food service must upload to the application packet. The application packet will not be considered complete until training has been completed and a certificate uploaded.

## WBSCM Ordering Labs for USDA Foods

4

January 27-31

February 3-7

February 10-14

In January and February, your regional ESC will offer in-person and virtual ordering technical assistant labs each week to help you navigate the WBSCM system when creating and submitting requisitions. This is an excellent opportunity to ensure your order is submitted correctly. Each offering will be approximately 2 hours.

If you cannot attend a lab, your ESC will coordinate a time for you and your team to receive support.

As a reminder, ordering catalogs closes on 2/28/2025.

**[FND.Training@TexasAgriculture.gov](mailto:FND.Training@TexasAgriculture.gov)**

If you would like to participate or submit ideas to our training team, please feel free to email us at [FND.Training@TexasAgriculture.gov](mailto:FND.Training@TexasAgriculture.gov).

You may submit training activities or training videos you currently use in your operation for consideration to be published and used across the state through our training programs. Recognition of those involved in developing the activity and content will be included.
