Senior Farmers Market Nutrition Program
Eligible Seniors Apply at: {CE location(s)}

What is It?
The Senior Farmers Market Nutrition Program (SFMNP) is an annual voucher program created to increase low-income participants’ access to fresh produce.

- Vouchers are distributed once a year, through sponsors in San Antonio, Houston, and Wichita Falls.

- Seniors can apply for five $10 vouchers, which can be spent on fresh fruits and vegetables at participating farmers markets.

- Vendors accepting vouchers will have signs indicating their involvement in the SFMNP.

Who Qualifies?
The program is open to people 60 years of age and up who are considered low-income. Low-income is defined as 185% of the poverty income level or less. If you are already participating in the Commodity Supplemental Food Program (CSFP) or if you receive Supplemental Security Income (SSI), you qualify for the SFMNP.

How does it work?
Once your application has been approved, you will be given your vouchers. Go to the farmers market, look for a participating vendor, and spend your vouchers. You can combine vouchers with SNAP/Double up Food Bucks benefits, and/or Produce Prescription programs.

Are there restrictions?
Yes. Vouchers can only be used for fresh fruits and vegetables, and you cannot receive change in cash. The program runs from April to October each year. Your qualifying sponsor will have all the details when you sign up.
